PRICE FIVE CENTS

NEW THERAPY X-RAY UNIT TO BE PURCHASED

The board of directors of the Annie M. Warner Hospital at a meeting Thursday evening authorized the purchase of a 250 KV Westinghouse deep therapy X-ray unit to replace the 18-year-old 200 KV equipment now in use. The more effective unit carries a new equipment guarantee and will cost \$4,575. It's cost now is \$17,000.

Dr. John L. Boyer, chief of radiology at the hospital, recommended the purchase indicating that the increased power of the new X-ray would afford the maximum practical power necessary for the Warner Hospital.

CURRENT DEFICIT
Donald Wagner, comptroller, reported that the hospital operating deficit thus far this year (the fiscal year ends June 30) is \$32,129.72. Free service and charity work showed a loss of \$17,000.35, more than half the total deficit. Wagner reported that over the past 10 years the free service and charity loss amounted to approximately \$140,000, about \$14,000 per year. He also reported that the deficit in the adjustments and allowance category is running 31 per cent over last year, with the free service and charity rising from \$7,000 to \$17,000.

The board thanked Dr. C. Harold Johnson for a contribution of \$500 to the laboratory fund.

The administrator reported that the 1963 discharge census showed 18.38 per cent of the patients were members of Pennsylvania Blue Cross, 3.93 per cent Maryland Blue Cross, 32.16 per cent commercial insurance patients, 40.03 pay patients, 3.9 free patients, and 1.55 MAA or Kerr-Mills patients.

BUY ORCHARD FOR \$179,200
The Musselman Division of the Pet Milk Company Thursday purchased the 435-acre Federal Hill Orchards on Apple Pie Ridge, near Hedgesville, W. Va., for \$179,200. John A. Hauser, president of the Biglerville division, announced today. Possession will be given Saturday.

The purchase was made from Paul A. Bennett, who acquired the 150-acre Federal Hill farm from his father, C. M. Bennett, in 1921 and added 285 more acres to the property in 1938 when he bought the adjoining Sparrow Orchards. His father purchased the original farm and began orchard plantings in 1911. Approximately 350 acres, planted between 1917 and 1955, are producing York Imperial, Golden Delicious and Rome apples.

The famous Apple Pie Ridge is located about 10 miles from the Musselman Division's Inwood, W. Va., plant. The firm's other farm holdings are located in Adams County.

Hauser said that all Federal Hill personnel will be retained under the supervision of Farm Manager Howard Riner. Clair E. Winand, Biglerville division farm supervisor, will direct the operation.

Optimist Club To Hold Family Night

Plans for a family night February 15 and preliminary plans for the annual bicycle rodeo were outlined Wednesday evening at the Optimist Club at the Battle-ground Restaurant.

President William Sents appointed Clyde Williams and Carroll Martin as co-chairmen for the bicycle rodeo with William Black, Melvin Crouse and Edward Carbaugh as the other members of the committee.

The family night, it was announced, will be held February 15 at 6 p.m. at the Five Star Restaurant. The next regular meeting was postponed from January 15 to January 22.

Plans were made for a meeting of the board of directors next Tuesday evening at 8 o'clock at the home of Clyde Williams. It was announced that a board meeting of Zone 8 of Optimist International will be held January 30 at 7 p.m. in the Embers Restaurant, York.

Father Of 14 Among 9 Men Lost At Sea

HONOLULU (AP)—Disheartened searchers finally have given up the hunt for nine men aboard an Air Force plane that vanished in the Pacific last week.

One of the men was M. Sgt. Herbert M. O'Malley, the father of 14 children who didn't have to make the flight. But his unit at Hill Air Force Base, Utah, home base of the plane, was short of men, so he put off his retirement and went along.

Eight of the men were Air Force crewmen on the C124 Globemaster cargo plane, and one was a sailor bound for discharge who volunteered to accompany a comrade's corpse to the mainland.

The plane was on a flight from Wake Island to Honolulu when it disappeared last Thursday.

THIRD SERMON BY GEORGIAN AT FAIRFIELD

"Praying for Tears and More" was the theme of the third sermon of the Rev. Vincent Harding of Atlanta to a crowded Zion Lutheran Church in the Fairfield Community Week of Prayer Thursday evening. The Rev. James Lesher, pastor of Iron Springs Brethren in Christ Church, was the worship leader and the Senior choir of Zion Lutheran Church under the direction of M. Helen McClellan sang the anthem, "Love Never Fails."

Pastor Harding began by praying the Lord's Prayer with the congregation but interrupted a third of the way through saying: "That is the way Jesus prayed. Jesus could not pray in the kind of peace we know. People were always pulling at his garments, shouting to him, to help them, save them, heal them." He cited shouting to him, to help them, the example of how Jesus, hearing of the death of his cousin, John the Baptist, sought peace and quiet to pray but Luke records that great crowds followed him and his prayer was interrupted while he healed them and fed the multitude.

The Atlanta minister then asked: "It is God's will that people should suffer and be down-trodden or should we be interrupted from the comfort of our prayer and called to action?" He told the congregation that Christians cannot turn their backs on human suffering and go on praying because Christ's example of (Continued On Page 3)

HEAR PLAN FOR NEW INDUSTRY

A group of 15 local businessmen met at the Hotel Gettysburg Thursday evening with Reginald B. Naugle, director of the Electrical Research Laboratory of Conyngham, Pa., and heard him outline a plan by which a new industry could be brought to Gettysburg that would eventually employ up to 1,000 men and women.

Mr. Naugle described "light-weight, compact and dependable" voting machines he has developed and predicted a \$30 million market for them as soon as they can be fabricated.

Thursday's group which was said to include "businessmen, bankers, attorneys and electronics experts" submitted a number of questions to Mr. Naugle and made plans for a committee to visit his laboratory and see a model of the machine he has made there.

Mr. Naugle proposed that the new industry be brought here as a "locally administered, locally underwritten for its initial financing" and that it should "become the property of local investors operating under a share the profits plan." He said \$125,000 would be needed to get the operation underway here.

A former employee of the Bell Telephone Company, Mr. Naugle has installed sound systems in theaters in many parts of the country. For a number of years he brought his mobile x-ray laboratory bus to the county to do public x-ray work for the county TB society.

ON TV SUNDAY

Miss Anne Lott, IFYE delegate to Scotland from Adams County last year, will appear Sunday afternoon at 12:30 o'clock on WGAL-TV in a 15-minute interview program. The program was postponed from last Sunday afternoon.

JAYCEES PLAN ANNUAL DINNER TO GIVE HONORS

Plans for the annual awards banquet to be held February 20 at 6:30 p.m. in the Lamp Post Tea Room with the Rev. Nevill Smith, of Hanover, as the speaker were outlined Thursday evening at a meeting of the Gettysburg Junior Chamber of Commerce in its offices in the Western Maryland Railway depot.

President Thomas Piper, who presided, also announced plans for a regional meeting at Red Lion Sunday afternoon at 2 o'clock and for the state board meeting at Easton, January 31 through February 2. A number of members of the local Jaycees listed plans to attend the two meetings.

Albert Treher, chairman of the Buddy Deane record hop committee, announced plans for a Leap Year dance to be held February 29, starting at 8 p.m. in the Gettysburg Junior High School cafeteria.

TO GIVE YOUTH AWARDS

Harvey Wagner, Christmas activities chairman, reported 50 baskets of fruit were delivered to the patients at the Warner Hospital Christmas eve by the committee, "assisted by Santa Claus." Baskets of food were provided to two needy families, one in the Gettysburg and one in the Orrama area.

The report of Attorney Oscar F. Spicer, chairman of the Santa's Shanty committee, showed Santa answered 500 letters left by youngsters in the mail box at the Shanty and distributed 16 bushels of apples to youngsters who visited the Shanty. The apples were donated by the Adams County Fruitgrowers' Association.

Attorney Spicer also reported on plans for the selection of the boy and girl to receive the "Distinguished Youth Award." The judges, Judge W. C. Sheely, Dean John Shainline and Mrs. Henry M. Scharf, will interview the nominees February 1 at the 112 Building, Baltimore St., and the winners will be announced at the awards banquet February 20.

Plan 3 Clinics On Adolescents Here

The first in a series of three clinics for parents and adolescents, sponsored by the Youth Activities Committee of St. James Lutheran Church here, will be held Sunday evening at 6:30 o'clock in the Wineman room at the church.

The topic for discussion will be "Discipline During Adolescence," Charles E. Tressler, principal of the Gettysburg Area High School, will be the guest resource leader. A sound film, "Message to No One," will be shown.

Similar clinics will be held Sundays evenings, Jan. 26 and Feb. 9. The second clinic will deal with "Communication Within the Family." Fred Schilling of the Central Pennsylvania Synod staff will be the guest leader. The third clinic will present the question of "Dating." Mrs. Reginald W. Deitz will be the leader and there will be a film, "Is This Love?" The public is invited to participate in all clinics.

Plan Musselman Rites For Monday

Funeral services for Dale Musselman, 35, Philadelphia musician and Fairfield native who died suddenly of a heart attack in San Diego Wednesday night, will be held next Monday afternoon at 1:30 o'clock at the Wilson Funeral Home in Fairfield. The Lutheran pastor there, the Rev. Otto Kroeger, will officiate.

Interment will be made in the Fairfield Union Cemetery. Friends may call at the funeral home Sunday evening after 7 o'clock.

\$850 Accident At Noon On Thursday

Damage totaled \$850 when two vehicles collided at noon Thursday at the intersection of a legislative route and a township road 1.3 miles south of New Oxford.

State police said John C. O'Brien, 28, Hanover R. 5, operating a truck owned by Conewago Construction Co., Hanover R. 4, was driving east on the township road when his truck collided at the intersection with a car being operated by Thomas D. O'Brien, 65, of 112 S. Peters St., New Oxford, traveling on the legislative route. Damage was estimated at \$250 to the truck and \$600 to the car. No one was injured.

Police said they did not know if the two O'Briens are related.

College Given \$5,000 Grant

Gettysburg College has been awarded a \$5,000 Du Pont grant under the firm's annual aid to education program.

The local grant is one of 168 awards totaling more than \$1,600,000 and will be divided between chemistry and other courses at the college.

The Du Pont Company program is aimed at strengthening the teaching of science and related subjects, for fundamental research by universities and for facilities for education or research in science and engineering.

Grants of \$5,000 each have been awarded to 82 institutions, mostly liberal arts colleges, to help them maintain and improve the excellence of their teaching. The \$2,500 fund for chemistry teaching is to be used by the institutions in ways they feel will most effectively advance their instruction and stimulate interest. Additional grants may be used in similar ways to strengthen the teaching of other subjects that contribute to the education of scientists and engineers.

Rev. Harper Is Union Speaker

The Rev. Donald L. Harper, pastor of the Memorial EUB Church, was the preacher for the fifth in the series of prayer services held in Trinity Reformed Church Thursday evening.

Speaking on the topic "Prescription for Power," he quoted Mark Twain's story of Huckleberry Finn praying fervently for fishing gear and when he finally got a line but no hooks said, "There ain't nothing to it." He said many people look on prayer as a glorified Aladdin's lamp. They give it a few passing swipes and are disappointed when nothing happens.

He said, "Prayer deserves better treatment than this. It takes many forms, praise, petition, adoration and gratitude. Cultivated honestly and continuously, prayer can change our whole world by changing us and giving us a broader outlook. Prayer is attainment, tapping divine power to do the impossible; is a foundation, making us unafraid of the uncertainties of life by anchoring our lives to eternal support; is completion, giving us serenity and peace. ANNIVERSARY DANCE

The weekly meeting of the Youth Center leaders was held before the reorganization session when a balance of \$31.10 was reported after bills of \$41.63 had been paid. It was announced the automobiles will meet this evening at 7 o'clock at the center.

There will be a Junior High dance on Saturday evening and a rummage sale February 1. Yearly membership cards will go on sale this weekend.

The record player, being paid for with books of green stamps, has been ordered and the supply of stamps also made it possible to get a coffeemaker.

It was announced that "The Combinations" will play for the center's third anniversary dance on January 25. Other bands scheduled for appearances at the center this year will include "The Shadows," "The Hi-Notes," "The Invicats" and the New Providence Singers.

PANELISTS AIR LEGAL ISSUES IN MEDICINE

For the first time in recent years the Adams County Medical Society met Thursday evening with members of the Adams County Bar Association to discuss matters of mutual interest to both groups in cases usually relating to court activity. Approximately 30 members of the two professions attended the dinner meeting in the Hotel Gettysburg.

The meeting and panel discussion was prompted by an invitation from the Medical Society to local bar members for general discussions of professional associations. Judge W. C. Sheely served as moderator of the panel, which was comprised of Drs. Roy W. Gifford, Raymond Hale and J. L. Boyer, and Attorneys Donald M. Swope, Daniel E. Teeter and Oscar F. Spicer.

GOOD SAMARITAN LAW

Among the general issues discussed were the Good Samaritan Law, recently passed by the Pennsylvania legislature, which offers greater protection from malpractice charges to doctors who are obliged by professional oath to administer medical treatment to patients at the scene of an accident. The Pennsylvania law was enacted as the result of numerous malpractice suits brought against doctors in other states who had given medical aid to disaster victims.

The groups also discussed legal processes concerning mental illness, methods of medical testimony on the witness stand, issues concerning drivers charged with operating a motor vehicle while under the influence of intoxicating liquors and other issues in which the two professions come in contact in court proceedings.

Dr. Gifford commended the court and the bar association for the manner in which doctors are treated when their appearance in court is required and especially emphasized the importance of being able to offer testimony immediately upon their arrival in the court room, enabling them to return to their medical duties promptly.

COUNTY WILL BENEFIT FROM WAGE CHANGES

The Adams County Commissioners met in their second "regularly scheduled" session today. They have been meeting daily with most of the time devoted to fixing salaries. The "salary board" comprises the commissioners, Treasurer Daniel Wolff and the head of each department.

There were reported split decisions on salaries with the result that the board must complete their work in time for clerks to make up pay checks due next week.

The board decided that the approximately 25 employees at the county home be retained at their present salary, headed by Superintendent W. E. Jordan at \$4,400.

In other instances there will be increases and some new wages to be set for the first time.

The county, for the first time, will pay the salaries of the prothonotary and register and recorder and their staffs. Previously they were on a fee basis. With the change to Sixth Class the county will pay their salaries effective Monday.

COUNTY BENEFITS

The result will be an increase in the amount the county pays out in salaries, but also will result in an increase in income for the county because the fees that used to go to these office holders will now go to the county. As a result the county will add to its payroll the \$7,750 salary of Register and Recorder Carl Menchey, but the fees from the office. Similarly the \$4,500 salary of Mrs. Betty Pitzer, deputy register and recorder; \$3,500 salary of Mrs. Janice Decker, \$3,120 paid Betty Jane Lilley, and the \$1.85 an hour paid Patsy Gochenaur as microfilm operator and \$300 fee for Solicitor John MacPhail are all added to the county's payroll this year. However, they are offset by the fees from which the salaries were paid previously. Income of the register and recorder's office is about \$29,000 a year.

Similarly the salaries of Prothonotary George Weaver, \$7,000; Deputy Wayne Shields, \$5,000; secretary, Jean Keller, \$3,120, and Solicitor Charles Wolf, \$300, also for the first time appeared on the county's payroll. Previously the prothonotary, like the register and recorder, was paid on fees and paid his assistants out of the fees. Income of the prothonotary's office is about \$13,000.

Today In Washington

By THE ASSOCIATED PRESS
WASHINGTON (AP)—In the news from Washington

DISARMAMENT: President Johnson views the next round of disarmament negotiations in Geneva as "one of the most important war stations in this nation's priority efforts to strengthen the peace."

"As the United States enters these negotiations in a new year we harbor no illusions of easy success," the President was quoted as saying in a White House statement issued today.

"But we do take encouragement from developments in the recent past and look to new opportunities in this nation's search for new agreement in sound and significant arms limitation and reduction measures."

The White House also confirmed that William C. Foster, director of the Arms Control and Disarmament Agency, will head the U.S. delegation. The talks are to begin Jan. 21, with 17 nations taking part.

REFURBISHED: Freshly painted and stocked with historic furniture, Blair House is ready for the arrival Tuesday of President Antonio Segni of Italy.

The newly decorated President's guest house, across the street from the White House, was reopened Thursday with a reception. "I think it's beautiful," said Mrs. Lyndon B. Johnson after a tour.

About \$150,000 in gifts helped in the refurbishing job. In charge of the project was a committee headed by Mrs. Angier Biddle Duke, wife of the chief of protocol.

NO COMMENT: Atomic Energy Commissioner Robert E. Wilson's reply to reports that he has submitted his resignation to President Johnson is "I just don't feel free to say what the present situation is."

A former board chairman of Standard Oil Co. of Indiana, Wilson favors private ownership of special nuclear materials, now a government monopoly. His argument is that the present system is costly to taxpayers and hampers development of a private atomic energy system.

Bury Mrs. Watkins Thursday Afternoon

Funeral services for Mrs. Myrtle Estelle Watkins, 80, W. Main St., Emmitsburg, who taught school for many years in Maryland and Honduras, were held Thursday afternoon in the Trinity Methodist Church at Emmitsburg with her pastor, the Rev. Martin Case, officiating. Interment was made in the Bethesda Cemetery at Browningsville, Md.

Mrs. Watkins, who was the widow of W. Ernest Watkins, died Monday evening in the Warner Hospital where she had been a patient for three weeks. The pallbearers were Thomas Wilhite, William E. Watkins Jr., James M. Aycock, Howard W. Kirwan, William M. Watkins and Ray M. Watkins.

HARRISBURG (AP)—A. J. Schroeder II, administrative vice president and director of the Scott Paper Co., is the new chairman of the state Board of Public Welfare.

He was elected Thursday to succeed Harry Boyer, president of the Pennsylvania AFL-CIO. Other officers re-elected were John J. Baldi, Scranton, vice chairman, and Miss Rebecca Gross, Lock Haven, secretary.

KILBURN, England (AP)—Harold Wilson, leader of Britain's Labor party, says Communist China should be invited to join the 17-nation disarmament talks when they resume in Geneva.

Weather

Extended forecasts for Jan. 11 to Jan. 15.

Eastern Pennsylvania, South-eastern New York, New Jersey—Temperatures are expected to average near seasonal normals. Cold Saturday and Tuesday and relatively mild at other times. Precipitation may total over one-half inch occurring as rain near the coast and rain and snow inland around Sunday and part of Monday and again near the end of the period.

Western Pennsylvania—A return to more seasonal weather is indicated with temperatures averaging near normal. Much colder through Saturday night, warming again over the weekend but turning colder again on Monday with little day-to-day change through midweek. Precipitation will average near one-half inch melted as snow and (or) rain daily Sunday through Wednesday.

Middle Atlantic States—Temperatures will average near normal. Cold Saturday will be followed by rising temperatures on Sunday and colder the first of next week. Precipitation amounts will average over one-half inch occurring as rain or snow about Sunday night or on Monday.

Rev. Dr. Howard Schley Fox attended a meeting of the worship committee of the Penn Central Conference of the United Church of Christ in Harrisburg today to plan a worship workshop for the conference. He was accompanied by Mrs. Fox.

The Lydia Class of St. James Sunday School met Thursday evening at the home of Mrs. William B. Gallagher. Mrs. Duane Johnson introduced Mrs. Henry T. Bream who spoke on

"A Too Busy or a Not Too Busy Mother." Her talk was based on the busy mothers of today and whether or not they take the time to read, sing or tell stories to their children.

She said each day should be planned so there is a religious period for the family.

"A mother with a large family should limit her social activities in order to be at home with them. A not too busy mother may find volunteer work in keeping foster children in her home and giving love, kindness, patience and understanding to other children who need help. Love is not only the most excellent way but the only way to raise a family."

The banquet planned for February was changed to April, with a regular meeting in February.

An Easter egg hunt is being planned for March 22, with a rain date of March 28, and three departments of the school invited. The committee in charge of that event comprises Mrs. Lois Smith, Mrs. Sally Steinour, Mrs. Joyce Steinour, Mrs. Connie Gulden, Mrs. Nadine oyley, Mrs. Lucille Knox and Mrs. Joan Mellott. Anniversary plates bearing a picture of the church will be sold by the class. They may be available before Lent.

"Happy Birthday" was sung to Mrs. Steinour and Mrs. Mellott. A birthday box was passed for the contribution of a penny for each year of age. The surprise box brought by Mrs. Ina Gineva, containing a plastic clothes sprinkler, was won by Mrs. Lora Bakitzky. Pollyanna thank-you gifts were exchanged and new names for the year drawn. Those who did not receive names should contact the president, Mrs. Ray Breighner. A Friendship Circle closed the meeting, with prayer by Mrs. Gallagher. The next meeting will be held February 13 at the home of Mrs. Paul Boyer with Mrs. Thomas Carr as cohostess.

DILWORTH HITS PA. PROBLEMS IN CC SPEECH

PHILADELPHIA (AP) — The hopelessness of some Negroes in the north is a "rot that is going to spread" unless they get education and employment, former Mayor Richardson Dilworth charged Thursday.

He told a surprised Chamber of Commerce meeting, "We cannot support 20 per cent of the Negroes in the north on relief and hope to survive," and said the time has come for the Negro to stop feeling "sorry for himself."

Dilworth temporarily laid aside a report on transportation he was to give to the 17th annual Forecasting Conference of the Chamber of Commerce, to say things aren't so rosy in Pennsylvania as some forecasters say.

SURPRISED SILENCE

While the 300 delegates sat in surprised silence he said Pennsylvania industry has been declining since World War II, the economic situation in southwestern Pennsylvania is bad and not getting much better and that public education in Pennsylvania is "lousy."

Although the delegates were silent during his impromptu remarks, they applauded loudly when he finished and returned to his prepared talk. Dilworth, unsuccessful Democratic candidate for governor against William Scranton in 1962, is now chairman of the President's Washington-Boston corridor transportation study.

INDUSTRY SAGGING

Dilworth and the delegates listened to three optimistic reports on business. Then, as R. George Rinefice, board chairman of the Philadelphia Electric Co. and the moderator introduced him, Dilworth said, "I know George is going to hate me for this."

Then he was off and running on Pennsylvania's problems.

Dilworth said industrial procurement might be effective but in Pennsylvania, industry "has gone downhill every year since the first World War."

At times shouting and pounding the podium, Dilworth went on to Southwestern Pennsylvania.

"Have any improvements been made there? There's not a doggone thing been done there."

"IN BAD SHAPE"

By this time there was not another sound in the room.

"It (southwestern Pennsylvania) is in bad shape and will continue to be in bad shape unless we reconstitute our ideas in that part of the state."

He went on:

"Now let me get to education. By and large we have a lousy public education system in this state. Of course the rich counties have some fine education, but on a whole our state educational system is not much better than that of Alabama or Mississippi."

WASHINGTON (AP) — Unemployment, which had climbed to a 5.9 per cent rate in November, dropped back in December to the October level of 5.5 per cent, the Department of Labor reported today.

Total employment dropped seasonally by 700,000 to 86.6 million, but still was 1.1 million higher than December 1962.

TRADING HEAVY

NEW YORK (AP) — The stock market moved irregularly early in this afternoon close to the level it reached after seven straight daily advances. Trading was heavy.

Prices worked lower in the morning but even as the averages declined, several leading stocks were making new highs.

Prices firmed and began to recover some of the lost ground. Gains and losses were fairly even by mid-session.

WARN AGAINST INCOMPETENT TAX ADVISORS

Kenneth O. Hook, district director of internal revenue, has warned that taxpayers who need professional help in filling federal tax returns should select only qualified, reputable advisors. The overwhelming majority of tax advisors are competent and honest he said, but the service does occasionally find shady characters in the guise of tax advisors. Unfortunately, when they are found, the damage to the taxpayer has already been done.

Hook pointed out these specific danger signals. Beware of the "expert" who will be around to answer questions after the return has been filed. Never sign a blank form and leave it with a stranger; this is almost like signing a blank check. Do not sign a return prepared in pencil; it can easily be changed later. Ask your advisor to sign the Form 1040 he has prepared. Reputable advisors will do so automatically. The fly-by-night expert usually will not. Pay any balance of tax you owe by check or money order made payable only to "Internal Revenue Service."

BE CAUTIOUS

Avoid the advisor who "guarantees" refunds, wants a percentage of any refund, or who supposedly knows all the "angles." Be on guard if he suggests that your refund check be sent to his address. For future reference, keep a record of the name and address of the persons who help prepare your return.

Hook emphasized that the taxpayer is fully responsible for the contents of his return, regardless of who prepares it. The taxpayer may delegate the work of preparing a return, but he cannot delegate his tax liabilities or legal responsibilities.

GOLDWATER'S WORDS DRAW QUICK DENIAL

By FRED S. HOFFMAN

WASHINGTON (AP) — Most Air Force officers have more confidence in the piloted bomber than they do in missiles.

But probably few would go as far as Sen. Barry Goldwater and challenge the dependability of this country's growing and improving force of intercontinental ballistic missiles.

Goldwater, campaigning for the Republican presidential nomination in New Hampshire Thursday, called the ICBMs undependable and drew a blast from Secretary of Defense Robert S. McNamara.

WONT REPLY

The Arizona senator returned here Thursday night and refused to reply to McNamara's strong charge that Goldwater's statement was completely misleading, politically irresponsible and damaging to national security.

The United States now has a total of more than 550 ICBMs in firing position.

These include 234 liquid-fuel Atlas and Titan rockets and 320 solid-fuel Minutemen, advanced weapons which will make up the great bulk of this country's eventual arsenal of about 1,200 long range, land-based "birds."

The earliest model Atlases were of doubtful reliability. They took hours to load with fuel. They had lots of complex "plumbing" that was susceptible to breakdown, and the fuel could not be left in the missile tanks because it was highly corrosive.

WERE IMPROVED

As the U.S. missile builders learned, the weapons were improved.

The engineers developed a liquid fuel that could be stored indefinitely in the tanks of advanced Titans. These missiles can be launched within a minute, the Air Force claims.

INDUCT STAFF FOR FIREMEN

The Fairfield Fire Company installed officers for the year Wednesday evening and launched plans for the annual firemen's carnival to be held the week of July Fourth. The installation ceremony was conducted by Roger Myers.

The list of new officers includes president, Francis Schultz; first vice president, Raymond Myers; second vice president, Doyle Robert; third vice president, Paul Myers; secretary, Richard Eversole; treasurer, Ira McGlaughlin; financial secretary, Clarence Wilson; chief, Walter Warren; first assistant chief, Lawrence Eversole; second assistant, James Sager truck foreman, Harper Hiner, and directors, Chester Cornwell and Clarence Wilson from Fairfield, and Joseph Lowe from Liberty Twp. The retiring president, Chester Cornwell, presided until after the installation.

Annual reports showed the company responded to 20 alarms last year, 11 of them mountain and grass fires, three chimney fires, one car, one truck, two house fires and two sheds.

These cochairmen were named to choose committees and begin planning for the Fourth of July carnival: Calvin Riley, Paul Myers and Glenn Shriner.

COUNTY WILL

(Continued From Page 1)

The commissioners will receive \$7,000 each, again a state mandated increase, from the \$4,200 previously paid. The salary of Chief Clerk Jacob G. Appier was continued at \$5,900 while the salary of the incoming chief clerk Clyde Allison was set at \$5,600. Attorney Eugene R. Hartman will be paid \$3,600. The 1962 audit shows \$4,250 for the previous solicitor's salary.

Mrs. Louise Armstrong was continued as office manager for the assessor's office at \$4,000 a year. John Sheely, who began duties Thursday as field man for the assessor's office, a post that had been vacant for some time, will be paid \$3,900.

OTHER PAYMENTS

The salaries of Mrs. Alta Armor, registrations clerk; Miss Louise Hartzell, commissioners' secretary; Miss Mary Catherine Frazer, and Mrs. Virginia Hartzell, secretaries in the assessor's office; Mrs. Laura Freed, who next week will become bookkeeper in the commissioners' office; Barbara S. Shutt, in the county superintendent of schools' office, and Mrs. Helen Codori, the district attorney's office, were all set at \$3,120.

Anita I. Rickode in the child welfare office and Jorene Carbaugh in the assessor's office were both set at \$2,900.

The wage for part-time help was set at \$1.40 per hour.

\$3,500 FOR BOLLMAN

The salary of Ira Bollman, veterans affairs director, was continued at \$3,500; Willis Snyder, sealer of weights and measures, at \$1,750. Janitor Howard Hummer was continued at \$3,750. His successor will receive \$3,500. Clyde Little, "maintenance man for the county home" — the title given his services as foreman for the prisoner gangs working at the county home and courthouse, etc. — will receive \$3,000. The physicians at the county home and jail, Dr. Raymond Sheely and Dr. C. G. Crist, respectively will each receive \$800.

District Attorney Gerald Walmer will receive \$7,000 as mandated by law. The commissioners agreed to pay \$22.50 per month toward the rent of Walmer's office on W. Middle St. Former District Attorney Daniel E. Teeter received \$50 per month.

C. D. DIRECTOR

William G. Weaver was continued as county civil defense director at \$2,400 a year; William Gilbert and Gerald White, Quick Call operators were continued at \$1,716 each a year; Charles W. Culp Jr. and Ernest Carey, night Quick Call operators, continued at \$1,200. The pay for Glenn Raffensperger when filling in for Quick Call operators was continued at \$1,124 an hour.

The salaries of Child Welfare Secretary Dorothy M. Curtis and Caseworker James J. Leshner were continued, as mandated by the state, at \$4,380 and \$4,773 per year respectively.

The commissioners approved five tipstaffs for the county court at the \$9 per day salary; the salary of the court reporter was increased from \$20 to \$23. The combined salary of Mary Ann George as secretary to the judge and as secretary of the law library totaled \$4,800; the salary of D. M. Anderson, probation officer, was increased to \$5,700; Mrs. Esther Schultz's salary as bookkeeper in the probation office was advanced to \$3,400 a year. Mary E. Adams, secretary in the probation office and also stenographer of juvenile and other hearings, was set at \$3,120. The salary of a domestic relations officer, if one is secured, was set at \$4,000.

WAYBRIGHT TO HEAD BOARD

Howard D. Waybright, Gettysburg R. 1, was re-elected chairman of the Cumberland Twp. board of supervisors at its reorganization meeting. Douglas Houston was named vice chairman.

Richard Deamer, Gettysburg R. 3, was elected secretary-treasurer, succeeding Lawrence J. Heltzel who was named roadmaster for the township. Attorney John A. MacPhail was named as solicitor for the township. Mrs. Deamer was named assistant secretary.

The second Thursday of each month was selected as the time for the monthly meetings at the home of the new secretary-treasurer.

The two other supervisors, Ross Crouse and Douglas Houston, gave special recognition to the fact that reports showed Chairman Waybright worked 654 hours on township projects during the last year without accepting any remuneration.

The per capita tax of \$5, first adopted in 1953, was continued for 1964, as was the two per cent amusement tax first adopted in 1960.

The reorganization meeting was held at the home of Roadmaster Heltzel. The next meeting, the first to be held at the home of the new secretary, will be held February 13 at 7:30 p.m.

THIRD SERMON

(Continued From Page 1)

"Interrupted prayer shows us so much more," "Christ," said Mr. Harding, "wept and prayed over Jerusalem and then went into the city and gave up his life that others some day might have life." He concluded by saying that such praying is frightening because it "may cost us our prejudices, jobs, even our lives," but such prayer is what Christ wants of his followers.

SPEAKS AT COLLEGE

A lively and lengthy question period followed the service in which a number of the audience asked for clarification of some things the speaker had said as well as taking issue with some of his statements.

This morning Pastor Harding spoke at Christ Chapel, Gettysburg College, at the chapel program. Tonight the Fairfield services continue in Zion Church at 7:30 o'clock with Pastor Harding speaking on "Praying for Honesty." The Rev. Alfred Goltwalt, pastor, Ortanna charge, EUB Church, will lead the worship and the Fairfield Mennonite Church will present special music. There will be no service on Saturday. On Sunday there will be a meeting for all the young people of the area in the Parish Hall of Zion Church at 5 p.m. The young people are asked to bring a box lunch. The beverage will be provided. The final service will follow this meeting at 7:30 in Zion Church with Pastor Harding speaking on "Praying for Strength, to Love, and Work and Die."

Rev. Gerhard Klaassen, pastor of the Fairfield Mennonite Church, will lead the Sunday evening worship and St. John's UCC will present special music. The public is invited to tonight's service and the concluding one on Sunday.

CONCERT ON SUNDAY

CHAMBERSBURG — The Wilson College Orchestra will present a concert Sunday at 3:30 p.m. in Thomson Hall on the Wilson College campus. The public is invited to attend free of charge. The orchestra is composed of members of the Wilson faculty and students, musicians from Chambersburg, and members of the faculty of the Mercersburg Academy. It will present a widely varied program.

14 INVITATIONS

PHILADELPHIA (AP) — Gov. William W. Scranton of Pennsylvania received invitations to address rallies and dinners in 14 states Thursday during a reception for national Republican leaders, the Philadelphia Bulletin said today.

Rev. Dr. John Lee, official representative in the U. S. for the Republic of China, who will give a lecture-demonstration on Oriental music at Saint Joseph College, Emmitsburg.

Taney Annex To Seek Annexation

Representatives of Taney Annex will meet in special session Monday evening with Taneytown councilmen to seek permission to petition borough officials for annexation of the area to the borough.

Ned Musser, Francis Lookingbill and Wayne Baumgardner appeared Monday evening at the regular council meeting to secure information on annexation procedures.

Councilmen decided Monday evening to install a pump in the manhole on E. Baltimore St. to relieve flooding conditions in the Franklin St. area during heavy rains, and authorized the removal of a dead tree at the tree man plant. Mayor Raymond Perry was authorized to have an additional street light installed behind the Gild property. New street signs will be ready for erection in the spring.

Police Officer Boone reported 28 parking violations for the month, 18 warnings and one summons. The treasurer reported a balance of \$24,655.77 in the general account and \$3,987.59 in the parking meter fund.

Councilmen expressed their appreciation to the Jaycees for the \$100 contribution to the town's Christmas decoration fund, and announced that membership in the Maryland Municipal League will be renewed for the year.

REV. HARPER IS

is always ready to do more for us than we are ready to accept, so let go and let God take charge. The prescription includes humility, willingness to pray and then the ability to listen."

John B. Kendeheart served as acolyte at the altar which was decorated with a profusion of red poinsettias. Miss Alice Snyder presided at the organ and five members of the church choir led the hymns. The ushers were Gilbert Eiker and Paul Bankard Jr. All offerings during the week go to the benevolence fund of the Gettysburg Ministerium which is sponsoring the series.

This evening at 7:30 the service will be held at the Presbyterian Church with the Rev. Dr. Robert W. Koons, pastor of Christ Lutheran Church, preaching on "The Censorship of Prayer."

Approximately 75 were present Thursday evening.

marksmen "for carefully returned fire," and six U.S. soldiers were wounded "before the sniper fire ceased."

Army officials stressed the point that none of its forces entered Panama territory during three to four hours of severe exchange of gunfire.

Traffic through the canal was not affected.

Panama's ambassador to the United Nations, Aquilino Boyd, was enroute to New York to bring charges of aggression before the Security Council.

In Washington, President Johnson was informed of the crisis but the White House had no immediate comment.

The Defense Department blamed the rioting on Panamanian mobs invading the Canal Zone. A department statement based on a military report from the scene said U.S. troops were called out after Canal Zone police failed to quell the rioters.

Panamanian Ambassador Augusto Rango hurriedly left Washington for home, but there was no indication Panama would recall other diplomatic personnel for a complete break in relations.

HALL CHOSEN

(Continued From Page 1)

Jaycees Outstanding Young Farmer committee, and his wife and County Farm Agent and Mrs. Thomas Piper have been invited by the state Jaycees to attend the banquet at Easton February 1 at which the state winner will be announced.

3 RUNNERSUP

Buehler, Ross Crouse and Terry Crouse were the committee for the local contest, and picked eight young farmers for the competition locally. The judges, Edwin Kann of the Adams Electric Cooperative and Harold Ecker of Gettysburg National Bank selected Hall as first and named as runners-up Roy Weaver, Gettysburg R. 6; Paul Waybright, Gettysburg R. 1, and Thomas Dolly, Fairfield R. 1.

Selection of the outstanding young farmer was based on degree of progress in his agricultural career, extent of good soil and natural resource conservation practices and the significance of the contribution he has made "to the well being of the community."

Hall, his wife, Patricia, and two daughters have been farming for 7 1/2 years. He started his farming career in 1956 by renting his father's farm near Millerstown, and later purchased the former Hugh McIlhenny 125-acre farm in Straban Twp. Before he moved there he converted the beef barn to a dairy barn.

IS SCHOOL DIRECTOR

A member of the Adams County Dairy Herd Improvement Association, he is also a member of the board of directors and a past vice president of the Adams County Farmers' Association; is a member and past officer of the Gettysburg Young Farmers Club, a member and past officer of the Lions Club at Millerstown and last fall was elected a school director in Straban Twp. and is vice president of that board. He is a Presbyterian. His wife teaches in the New Oxford School System.

According to the records, Hall started dairy farming seven years ago with 15 cows which produced an average of 11,200 pounds of milk and 411 pounds of butterfat. Last year his 36 milk cows had an average of 13,600 pounds of milk and 531 pounds of butterfat.

NEW GAS FIELD

MEADVILLE, Pa. (AP) — A new gas field, which company officials say may reach a daily capacity of 20 million cubic feet, has been discovered in Crawford County.

Flanigan Brothers of Bradford brought in a new well Thursday about 13 miles west of Meadville for the Trans-American Petroleum Corp. of Pittsburgh. The daily volume was estimated at seven to 10 million cubic feet.

FLORENCE, Italy (AP) — William J. Macaulay, 71, Irish ex-ambassador to the Vatican, died Tuesday.

Abbottstown Town Council Organizes

Atty. Oscar Spicer explained the new codification of borough ordinances to the Abbottstown borough council Wednesday evening at the annual reorganization meeting at which John Lillick was named president. The ordinances will be adopted by the council at the February meeting.

Other officers elected were Harry Moul Jr., vice president; Bernard Anthony, secretary, and Abbottstown State Bank, treasurer. J. Faber Wildasin was named to a five-year term on the Municipal Authority. Charles W. Wolf was reappointed borough solicitor, Miller, Miller and Miller were named CPA for the authority and George Wildasin was named engineer for the borough and the authority.

Council reappointed John H. Bechtel as police chief at the same salary as last year, named Charles Swope meter repairman at \$2 an hour and appointed Sterling Berkheimer as water works maintenance man. Naomi Meckley was appointed as meter reader at \$300 a year. The council secretary will receive \$200 a year from the authority and \$200 from the borough.

Council members voted to continue to meet the second Wednesday of each month and will continue to reimburse council members \$3 for each meeting attended.

Wins Third Prize In School Contest

Miss Jeanne L. Jacoby, daughter of Mr. and Mrs. Glenn W. Jacoby, R. 4, won third prize in an oratorical contest at Elizabethtown College, Tuesday.

Miss Jacoby, a sophomore majoring in Bible and philosophy, won \$20 for her oration, "That First Drink!"

Out Of The Past

From the Files of the

FIFTEEN YEARS AGO

Bus Service Is Resumed By Pitzer Line: Charles Pitzer Monday resumed his bus service through the borough of Gettysburg.

For the present, the schedule used prior to the temporary suspension of service will be followed. The bus will be going toward the center of town from the north end of town at 20 minutes after the hour; from the south end at 30 minutes past the hour; from the east end of town at 20 minutes of the hour and will be on Springs avenue and West Middle street at 10 minutes of the hour and on Springs avenue and Buford avenue at 10 after the hour. Residents of Springs avenue will thus have service, with the bus heading in toward the center of town by way of Middle street at 10 minutes of the hour and will have service via Buford avenue at 10 minutes past the hour.

Residents of the west end of town can go directly to and from the hospital, with the West Middle street to the square and then out South Washington by way of West Middle.

The hourly schedule is from 8 a.m. to 5 p.m. each day. An advertisement carrying more details will appear in The Gettysburg Times Wednesday. Hours of special runs to industrial plants in the town will be posted on the plants' bulletin boards.

The bus leaves the square for any section of town five minutes before the times listed for passenger service from that end of town.

Sewage Plant Annex To Cost Town \$182,000: Additions to the present sewage treatment plant will cost an estimated \$182,000, Richard J. Harman, consulting engineer, Harrisburg, told borough council Monday night. The borough was directed several months ago to have plans prepared. Mr. Harman was authorized Monday night to submit his plans to the State Sanitary Water board for approval.

The plans call for a concrete block building with brick facing, similar to the present building, and four sludge beds each 27½ by 120 feet, as well as digestive tanks, and other appurtenances. Mr. Harman said the plant was designed to take care of the needs of a population of 10,000 persons, the state estimating that Gettysburg's population will reach that figure by 1970.

"This is the latest design in sewage treatment plants," Mr. Harman said. Other plans prepared by the engineering firm have been turned down previously by the state, he said. "One unit required by the state will cost \$56,000," he declared. Mr. Harman was accompanied by William E. Sees, civil engineer with the firm.

John B. Peters Will Manage Cold Storage: John B. Peters, Gardner's R.D., manager of the Cooperative Fruit Growers, Adams county, Aspers, has been named manager of the Adams County Cold Storage company here.

Announcement of Mr. Peters' selection to fill the vacancy caused by the death of Wilmer Roth was made today. The Gardner's man actually began his duties as manager on January 1.

The new manager said today that he expects to divide his time between the two businesses. He has been with the cooperative fruit growers for 16 years. The services performed by both the Aspers and the Gettysburg plants are similar.

Peters has been active locally and nationally in the fruit industry for years.

BADWILL THINKING

Two types of thinking occupy the mind of all mankind — Badwill and Goodwill! It's the former that takes all the zest and beauty out of life. You cannot be a Badwill thinker and be either healthy or happy.

The Badwill thinker harbors hate, suspicion, defeat. He pours no clean, fresh water upon the constructive forces of life. He harbors no hope, and the world might just as well be taken over by all the forces of reaction so far as he is concerned.

The bright picture comes about when you meet the Goodwill thinker. He believes in the health of thought. He has proved how effective constructive thinking actually is, and how far reaching it is — how it affects every action put forth. Every kind word of encouragement is an uplift, for there are willing hands of thought to grasp it.

The Badwill thinker is one with a sick mind. And that is worse than a sick body, for it never fails to bring about the latter. On the other hand the mind has such a powerful hold upon the body that Goodwill thinking can lift it right out of its ills, aches and errors. No one can read Emerson without coming to the conclusion that he was a wonderfully gentle and ennobling human being — as he was. His entire life was devoted to Goodwill thinking and his essays are among the most inspiring in all literature.

Every time it was my privilege to come in contact with the first Henry Ford I was amazed at his grasp upon the essentials of great living. He lived simply and thought simply — but there was depth to everything that he said. Even in his eightieth year he had the mind of an enthusiastic youth. Goodwill thinking had always been his habit. Just as it was in the case of his great friend Thomas Edison.

What an incentive to Goodwill thinking as the buds begin to bloom, come another Springtime! No matter how tragic world events, Nature doesn't change. It is forever renewing and bringing back beauty and its endless suggestions of hope to the human mind.

HAPPY HEARTS

Happy they, who through the day Meet with friends along the way; And when time and strength are spent, Sit at home and are content.

Happy they, whose'er their place, Who have edged their deeds with grace; And by neighbors, near and far, Truly loved and cherished are.

Happy they, who understand Life to no man's whim is planned; That both joy and grief must fall, To the knowledge of us all.

Happy they who bravely bear What descends of pain and care; Undisturbed by pomp or pride, Asking naught that is denied.

Happy they, though missing fame, Or the cheers which conquerors claim; Who have lived and labored well, And in men's affections dwell.

Mrs. Clyde R. Brown is moving into the Presbyterian manse on East High street today. The pastor-elect of the local church and his wife arrived late Thursday and their furnishings were expected today.

The Rev. Mr. Brown recently completed graduate work at Hartford Theological seminary in Hartford, Conn. He is a graduate of Maryville college, Tenn., and Western Theological seminary in Pittsburgh. He assisted with pastoral work in the Dormant Presbyterian church and was pastor of the Fairview church in Pittsburgh before entering his graduate studies.

The Rev. Mr. Brown will present himself for admission to Carlisle Presbytery on Monday at Carlisle and arrangements are expected to be completed then for his installation here later in the month.

When a recipe directs you to coat a cake pan with flour, do this: grease the bottom of the pan; sprinkle a little flour over the greased surface; now shake the pan from side to side so the flour will be evenly distributed.

NINE-TENTHS OF HS PUPILS GO TO CHURCH

By BILL HUDSON

PADUCAH, Ky. (AP) — Marvin Montgomery is proud that nine-tenths of his high school pupils are regular church goers. Montgomery teaches an unusual course in history. His only textbook is the Bible.

For 19 years, juniors and seniors at Paducah Tilghman High have studied the Bible as historical literature.

IS TRADITION NOW

The Paducah Association of Churches foots the bill — \$40 a year per student. The course is elective but can count among the 18 credits required for graduation.

It became part of the curriculum long before there was any Supreme Court ruling against required Bible reading or devotionals in public schools or governing the release of students during school hours to be trained in religious faith.

"It's something that kind of grew up traditionally," said Dr. Newman Walker, Paducah school superintendent.

TWO SEMESTERS

Montgomery is an ordained minister. He teaches the classes daily at an off-campus site. The course—"there's nothing denominational about it"—covers the Old Testament one semester; the New Testament another.

Enrollment is open to all pupils but is limited to 145—about one-fifth of the upper classmen. "The better students say they appreciate it more than other courses but I guess that is because it is different," Montgomery said.

"They know a little something about it when they start and they find out there is a whole lot they don't know."

COMPLIES WITH COURT

Montgomery was asked how the course affected his students. "They become more reverent," he replied.

Superintendent Walker thinks the course complies with the basic provision of the Supreme Court ruling of the late 1940s which permits pupils to be given time off for religious training.

Bible instruction as history or historical literature apparently would meet state law requirements.

Skirting any violation of the separation of church and state principle, Paducah leaders set up the Tilghman Bible Class in 1944, had it incorporated in the curriculum and hired a teacher.

TODAY In History

ICE CAPEDES OPEN FEB. 11

HERSHEY, Pa. — Young favorites and new faces will be seen in the all-new Ice Capades of 1964 which opens an 11-day run at Hershey Sports Arena beginning Tuesday night, February 11, at 8:10 o'clock.

Cathy Machado, Romyne and Steele, Sashi Kuchiki, and Hans Leiter head the familiar faces back with the big show, presenting new routines and adorned in rich, new costumes by Billy Livingston.

Romyne and Steele are acclaimed the greatest paid on ice today. If there is a challenging team, it must be the Jelineks, brother-sister escapees from Prague, Czechoslovakia, who won the world's championship.

Cathy Machado heads the beauty brigade, which takes in two gorgeous blondes, Doris Winter, curvaceous cutie from Bavaria; Brigitte, the lovely 18-year-old from Vienna; Cathy Steele from Germany; and Shirley Marie, the badminton cutie from Connecticut and Hugh Forgie's new partner.

Doug Austin is the top male attraction — Ice Capades' new "bur" of the ice: Sashi Kuchiki, the only Japanese skating professional, and Alan Konrad, long famed for his tremendous leaps and acrobatics.

The thrill department belongs to Dick Haskell, the long-legged barrel jumper, who equals the 16 barrel jump with inches to spare.

Hans Leiter is the new king of comics, aided and abetted by Labrecque and Bussey; Jan Tors, the three-legged skater; the amusing Three Bruises; and the sensational "Spanky," the only figure skating chimpanzee. Spanky does everything humans do on skates, and then climaxes his performance with a spectacular barrel jumping feat.

One year ago — President Moise Tshombe dropped his threats to carry out a scorched earth policy in Katanga Province to thwart United Nations pressure for unification of the Congo.

U. S. MAY NOT GET DAM SITE

ALLENTOWN, Pa. (AP) — A National Park Service official has warned that real estate dealing in the proposed Tocks Island Dam recreation area may price the land out of the government's reach.

Peter DeGelle of Philadelphia, the Park Service regional chief of planning, taking note of recent real estate transactions in the proposed park area said Wednesday it is possible "the area will never be realized for public recreation. They will put it out of the market."

Congress has recently approved funds for a study on a proposed dam on the Delaware River at Tocks Island. But so far no money has been voted to actually build the dam or acquire surrounding land which

could be turned into a giant park.

The land in the proposed park is still on the open market and some real estate firms are trying to develop it for either housing or vacation retreats.

DeGelle said that the buying and selling by private developers could drive up the price of the land "past the point" where the federal government could afford it.

DALLAS (AP) — Mrs. Marina Oswald plans to write a book about her life in Russia and her marriage with Lee Harvey Oswald, the Dallas Morning News said Thursday.

The widow, 22, whose business manager said Wednesday had accepted as a fact that her husband assassinated President John F. Kennedy, would get professional help in writing the book, the newspaper said.

could be turned into a giant park.

The land in the proposed park is still on the open market and some real estate firms are trying to develop it for either housing or vacation retreats.

DeGelle said that the buying and selling by private developers could drive up the price of the land "past the point" where the federal government could afford it.

New Comptroller Elected By MECO

The board of directors of Metropolitan Edison Company has elected Raymond E. Wertz, Mt. Penn. Reading, as assistant comptroller. He had been MECO's supervisor of accounting in 1963.

Wertz has been with the company since 1954 when he started as a bookkeeper in the Reading headquarters. In 1955 he was promoted to tax accountant and to supervisor of accounting in 1963.

He was graduated from Mt. Penn High School in 1941 and worked for the Reading Bus Company until 1954. In 1953, he was graduated from the Wharton School of Accounting and Finance. From 1943 to 1946, he served with the 86th Infantry and was discharged as a technical sergeant.

AGENTS LEARN WISPY ACTRESS HAS IRON WILL

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — Don't let Yvette Mimieux' wispy manner fool you. Behind those limpid eyes lies a whim of iron.

Her agents found that out this week when she fired them.

Her studio will soon be discovering it as she asks for a new deal.

Interviewers inevitably encounter it when they ask her about personal matters.

SHOPS FOR AGENTS
Yvette is now shopping for agents, and the new team will have the assignment of adjusting her contract with MGM. It has only two more years to run, but the winsome blonde years to be free earlier from the studio's exclusive control.

"Last year MGM presented me with six different scripts, and all of them were fantastic," she commented. "I couldn't possibly do them, and I told the studio so. As far as I can see, there is nothing out there for me in the future. So why shouldn't I be free to take some of the attractive possibilities that come along on the outside?"

With an eye to her future freedom, she is incorporating herself and plans to buy property elsewhere which she could play. She had despaired of getting MGM to do the same. She discovered the novel "Lilith" and sent copies to all the studio bigwigs. Nothing happened. Robert Rosen snapped it up and made it for Columbia.

TELEVISION SHOW
Yvette's last two films have been for other companies—"Diamond Head" and "Toys in the Attic." But she did return to the parent lot for—surprise—a television show.

It's a surprise because the girl has long held out against television on principle.

Yvette is in a special "Dr. Kildare," being a two-parter

called "Tyger-Tyger." She plays a surfing enthusiast who refuses to give up her board even though a mild epilepsy attack makes it appear the sport would be dangerous for her.

GHS Hosts Big Spring, Cannors At Northern, In Top Games Tonight

Followers of the Blue Mountain Basketball League will center their interest tonight at Gettysburg and Dillsburg as the unbeaten Warriors and fast stepping Biglerville Cannors continue their red hot race for first half laurels.

Gettysburg, 7-0 overall and 6-0 in the league, entertains Big Spring here in a game certain to attract a capacity crowd while Biglerville, 6-2 overall and 5-1 in the circuit, tangles with Northern at Dillsburg.

Big Spring, last year's BML champs, were picked to repeat this season with its veteran-studded outfit. However, the Bulldogs have not measured up to expectations although its three losses were by close scores.

Stan North, one of five Bulldog vets, is rated as one of the league's outstanding players. Other veterans are Randy Kann, John Wyrick, Gary Eckman and Bob Baker.

FIVE-GAME STREAK
Biglerville, after losing its first league game to East Pennsboro, now has a five-game league winning streak. Despite Northern's 2-4 mark, the Cannors will not take tonight's game lightly as they battle to overtake the Warriors.

The first half BML race ends next Friday. Biglerville entertains Gettysburg in the key game Tuesday evening and on Friday host winless Newport. Gettysburg winds up at Northern.

Other league games tonight include Camp Hill at Shippensburg, Newport at Boiling Springs, and Susquehanna at East Pennsboro.

Four games are scheduled this evening in the Adams-Franklin League.

New Oxford, Adams Division leader, is host to Fannett-Metal; Bermudian, half game back of the Colonials, plays at Fairfield; St. Thomas at Greencastle, and Buchanan at Scotland. Littlestown has the night off.

DELONE AT HOME
Delone Catholic has an opportunity to take over first place in the Central Penn Catholic League tonight.

The Squires, 5-3 overall and 1-0 in the league, meet Shamokin Lourdes at McSherrystown. York Catholic, also 1-0 in the loop, will be idle in the league. At Harrisburg, Bishop McDevitt and Lebanon Catholic will inaugurate their league campaigns.

36 PLAYERS TO TRY OUT FOR OLYMPIC TEAM

NEW YORK (AP)—Thirty-six college players will get a shot at the 12-man Olympic basketball team the United States sends to Tokyo next October.

The National Collegiate Athletic Association Council, in one of its last items of convention business Thursday, approved a complicated plan for college representation in the Olympic basketball trials at St. John's University here April 2-4.

The colleges will send three 12-man teams to the tournament, including one having as its nucleus six players from the national collegiate champion team to be decided at Kansas City March 20-21.

OTHER ACTION
Other action by the NCAA council, at its final meeting, included:

1. A formal statement disassociating the NCAA with strong remarks made by Charles Warner, director of the U.S. Track and Field Federation, against the Amateur Athletic Union and the role of Gen. Douglas MacArthur in arbitration efforts last year. The council said Warner's statements "do not represent the consistent position taken by the NCAA through the history of the negotiations."

2. Frank Carver, athletic director at Pittsburgh, was named to the executive committee succeeding Richard C. Larkins, athletic director at Ohio State, who was appointed a ninth NCAA member of the U.S. Olympic Committee.

3. Appointment of six NCAA representatives to the U.S. Track and Field Federation, three to the U.S. Gymnastics Federation and three to the U.S. Basketball Federation. The three groups have been fighting with the AAU for control of their sports.

CLEVELAND (AP)—Tim Wood, a 15-year-old doctor's son from Bloomfield Hills, Mich., took the lead in the initial round of the junior men's singles of the National Figure Skating Championships Thursday at the Cleveland Skating Club.

He took first place in compulsory figures competition with seven originals and 70.91 points, edging Duane Maki, 16, a fellow Detroit Skating Club member, who scored 10 originals and 69.41 points.

Richard Callaghan, 18, of Rochester, N.Y., was third with 18 and 68.55.

MONTREAL (AP)—Bobby Hall, the National Hockey League's goal-scoring leader, led an array of four members of the first-place Chicago Black Hawks named to the circuit's official All-Star team for the opening half of the 1963-64 season.

Hull, who has 23 goals, was a unanimous choice in the voting by hockey writers and broadcasters in each of the six NHL cities. He received the maximum 90 points for the left wing position.

LAKERS MEET KNICKS AGAIN

By THE ASSOCIATED PRESS
Los Angeles' Lakers and New York's Knicks square off on a neutral court in San Diego Saturday just three nights after a wild brawl punctuated their National Basketball Association game.

Four players were tossed out of Wednesday night's contest following a fight which lasted about six minutes.

The Lakers were idle Thursday night while the Knicks were losing to San Francisco 113-97.

No incidents marred the game although Wilt Chamberlain and Wayne Hightower did as far as New York was concerned. Chamberlain poured 43 points through the basket. Hightower flipped in two field goals that ended a San Francisco cold streak in the first half which in-

2ND ROUND AT SAN DIEGO HIT BY DARKNESS

By BOB MYERS

Associated Press Sports Writer
SAN DIEGO, Calif. (AP)—Golfers Bob Rosburg led the way into the second round of the \$30,000 San Diego Open Friday—or did he?

Rosburg completed the first round with a four-under par 66, one stroke in front of National Open champion Julius Boros, Tony Lama and a newcomer to professional tournament attention, Charles Coody of Fort Worth, Tex.

But—30 golfers, stranded by darkness on the Rancho Bernardo Country Club course Thursday were set to complete their initial round early today. Included were at least three threats who could match or even outscore Rosburg. They are Jerry Barber of Los Angeles, Frank Beard, Louisville, Ky., each with nine hole scores of 33, and Dow Finsterwald, Colorado Springs, with a 34.

This trio, plus the others, faced the problem of a further delay since the weather has a habit at this time of the year of freezing the greens in the early morning hours.

They froze Thursday morning, causing an hour delay in the start, and the same was expected today, which could cause even more confusion.

There was no problem later in the day. The skies were bright, the temperature warm.

The Rancho Bernardo course, under fire for the first time in San Diego annals, apparently is none too easy. Only 20 players bettered par. A year ago, at another course and in cold, wet weather, 47 broke par.

ERNIE BANKS GIVEN CLEAN HEALTH BILL

CHICAGO (AP)—Ernie Banks has been pronounced 100 per cent physically fit for the 1964 baseball campaign, a cheery note for the Chicago Cubs.

So important was Banks' fitness progress that the report was read by Dr. Jacob Suker, club physician, to Cub stockholders Thursday.

"Ernie is 100 per cent fit," said Suker. "There is no reason, physically, that should prevent him from playing every game in 1964. His eyes have also checked out okay. All we can say is that he is physically fit to play. But we can't hit for him."

OK FROM MAYO
Last year an ailing Banks slumped to a .227 batting average, his lowest. He hit only 18 homers compared to his high of 47 in 1958, and drove in 64 runs compared to a high of 143 in 1959.

The great slugging star was converted from shortstop to first base in 1962. He hit .269 then, drove in 104 runs and got 37 homers.

Banks, who will be 33 on Jan. 31, was in Nassau and unable to make the meeting. He appeared in only 130 games last year. His slump was blamed on an illness diagnosed as a rare form of mumps.

He was a worried man and was greatly relieved later when he got a clean bill of health from Mayo Clinic.

Top Jumpers To Be In Boston Meet

BOSTON (AP)—A couple of spacemen are expected to give things a lift when the 38th Knights of Columbus track meet sends the 194 indoor winter season into orbit Saturday night.

Among those on hand before an expected sellout Boston Garden audience will be John Pennel, the world's greatest pole vaulter and the only person in the world ever to clear 17 feet, and John Thomas, the first man to accomplish the seven-foot high jump.

Backing up this highflying tandem will be an array of running stars including miler Tom O'Hara.

clued just one field goal in 10 minutes. The Warriors then rushed to a nine-point margin at the half.

Detroit, behind Bailey Howell, whipped Baltimore 125-115 for the Pistons' first victory in five games against the Bullets. Howell scored 35 points, 20 in a big third-quarter surge.

After leading throughout most of the game, the Gettysburg Junior High cagers faltered in the last quarter and then succumbed in overtime to Scotland 48-47 in a South Penn Junior High League game Thursday evening at Scotland.

The Braves led 22-15 at half time and went into the final period on top 29-24 but a strong rebound by the goal tending Emmett and Jarabek, enabled the Cadets to tie the score at 42-42 at the end of the regulation time. Scotland then edged out the victory with a 6-5 edge in the overtime period.

Kevin Hetrick and Jim Allison rimmed 16 and 11 points for the Braves while Jarabek and Emmett netted 23 and 20 for the winners.

It was the second loss in as many starts for the Braves who will meet Waynesboro West here Monday evening.

The local reserves won their second straight in the preliminary win another easy 47-19 decision. Eric Matland pumped through 16 points to lead the attack as the jayvees led from start to finish.

LEWISBURG—On the road for the second time this season, Bucknell's highly regarded swimming team faces Gettysburg Saturday afternoon.

Coach Bob Latour's defending Middle Atlantic Conference champions will meet a much improved Bullet team at 3 and the Freshmen teams from the two schools will clash in the preliminary contest at 2.

Several interesting races could develop in the meeting between the MAC rivals. Gettysburg Senior Cut Cheyney lowered the Bullet school record in the 200-yard freestyle in the first two meets of the season, but he will face one of his toughest challenges of the season against Bison sophomore star Jerry Thimmes, holder of the Bucknell school record in the 200 and 500-yard freestyle events.

Other standout Bison freestylers include Juniors Bruce Dove and Jack Fleming and Sophomore Townley Larzelere who will clash with Cheyney and Junior Pete Wilson in the sprint events.

Teaming with Thimmes to give Bucknell a big one-two punch is Junior butterflyer Jim Smigle who is undefeated in the 200-yard butterfly in 21 college dual meets and is defending MAC champion in the 100 and 200-yard butterfly.

TRANSITION TIME IS HERE FOR SANITARY WATER BOARD

By VINCENT P. CAROCCI
Associated Press Writer

HARRISBURG (AP)—This is time of transition for the state Sanitary Water Board, the commonwealth's water pollution control agency.

The board has declared a 90-day moratorium on the issuance of bituminous strip mine drainage permits.

This is so the Department of Mines and Mineral Industries can assume the investigation responsibilities in this field as smoothly as possible.

SEEKS BOARD MEMBERS

Meanwhile, Gov. Scranton is looking for three new public members for the board, which is charged with administration of the state's clean streams law.

The new appointees are expected to be named within two weeks—possibly as early as next week.

The latter is of no great concern to the board since the public membership can change with a turnover in the administration.

But the transfer of mine drainage investigations is a source of some consternation to the board and those who work with it.

PRIMARY FUNCTION

The board's primary function is to regulate the effect of mine drainage, industrial wastes and sewage on the condition of Pennsylvania rivers and streams.

It attempts to control water pollution through a permit system whereby an applicant must prove discharge will not pollute the waters.

Between 60 and 75 per cent of the applications for permits come from bituminous strip mining operations in western and central Pennsylvania.

CHANGED BY LAW

Previously, the Division of Sanitary Engineering in the state Health Department had the responsibility to investigate the effects of drainage from bituminous stripping operations.

The 1963 bituminous strip mine law transferred this function to the newly created Bureau of Conservation and Reclamation in the Mines Department.

The law did not affect, however, the Sanitary Engineering Division's duty to continue its surveillance of deep bituminous mining or both deep and strip anthracite mining.

FAIRFIELD—The High School Alumni Association is planning a night of games for Feb. 5 at 7:30 o'clock in the high school cafeteria. There will be films shown for young children. Alumni officers are: President, Tom Brown; vice president, Bob Newman; secretary, Donna Jean Myers; assistant secretary, Betty Shriner; treasurer, James Landis. Cadette Girl Scout Troop 757 met Tuesday evening at the home of their leader, Mrs. Charles S. Taylor. The meeting was opened with a flag ceremony with color sergeant, Cynthia McDannell; flag bearer, Carole McGlaughlin; guards, Susan Sanders and Linda Ickes. A songfest followed in charge of Carla Mummert and Bonnie Flenner.

The girls will distribute March of Dimes containers throughout the town.

Plans are being made to work on a sports badge by participating in a six-week bowling course. Scouts completed requirements for their battlefield badge and were asked to bring materials needed to complete the design on their badges to the next meeting.

The meeting was closed with "taps" led by Debbie White. Mrs. Mary Jane Forsythe, grandmother of William McClellan, R. 1, celebrated her 92nd birthday anniversary on Tuesday.

The local bridge club met Monday evening at the home of Miss Helen McClellan with Mrs. George Fair as guest. The high and low scorers respectively for the evening were Mrs. Robert Mussel-

Pravda Censors Johnson Speech

MOSCOW (AP)—Soviet censors Thursday deleted all references to President Johnson's cutback in U.S. production of atomic explosives and his challenge to Russia to follow suit.

Soviet reports of the President's message to Congress Wednesday instead emphasized his remarks about maintaining American defense capabilities on a high level.

The Soviet Communist party organ, Pravda, also cut out references to the President's state-

man, Mrs. J. Warren Martin and Mrs. Charles Taylor.

The club will meet in two weeks at the home of Mrs. J. Warren Martin.

WAGNER QUILTS NEW OXFORD'S TOWN COUNCIL

Paul Wagner, a member of the New Oxford Borough council for the last six years, submitted his resignation from that body at Monday evening's meeting of the New Oxford council.

According to Thursday's issue of "The New Oxford Item," Wagner presented the resignation H. S. Griffin, alleging that Griffin had accused Wagner of "using borough monies to pave the east end of Factory St. for personal use of my driveway."

In his letter of resignation, Wagner said: "Since it has become necessary for you to suspect me, and audibly say so in public, I find it impossible to further serve as a councilman."

Wagner submitted with his letter a photostatic copy of his paid invoice for the paving.

Wagner and Griffin, whose term as a councilman expired with Monday's meeting, both left before the new council organized and the new council voted to table the resignation until members have discussed the matter with Griffin and Wagner.

At the reorganization Fred G. Klunk was elected president of the council; H. Alvin Jones, vice president; Mrs. Vesta Lings, secretary, and Attorney Charles Wolf, solicitor. Naming of a treasurer was deferred until next month and no action was taken concerning the borough manager. L. C. Bevenour, the present manager, is on sick leave.

C. P. Keefer, finance chairman, gave a preliminary budget report noting that the town will "likely have \$39,412 available in the general account and an estimated \$97,000 available for the sewer-water operational expenses, making a grand total of approximately \$136,000."

Charles Edwards was named to represent the borough on a recreation commission planned several months ago.

Mayor Guy Staub presided at the swearing-in of the newly-elected councilmen, C. P. Keefer and Mr. Edwards, who had served the prior term, and Robert Polist. The mayor also presided for the reorganization session.

Jail Doctors For Selling Narcotics

PHILADELPHIA (AP)—A federal judge Wednesday sentenced two physicians to prison terms on their convictions of selling narcotics.

Chief U.S. District Court Judge Thomas J. Clary, as he imposed sentence of Dr. Eric R. Clarke, 48, of Philadelphia, and Dr. Horace R. Johnson, 58, of Elkins Park, said, "The jury and the court found that the two doctors were ready, willing and able to enter into the state and distribution of narcotics."

Dr. Clarke was sentenced to eight years, Dr. Johnson to six. They had admitted selling dolophine tablets and several ounces of cocaine to federal agents who posed as drug addicts.

The physicians, released pending an appeal, pleaded they had been entrapped to the sale and said an old friend persuaded them to sell to the men.

HARRISBURG (AP)—Gov. Scranton contended Thursday he is attempting to discourage any efforts to project him as a candidate for the Republican presidential nomination.

Asked at his weekly news conference what efforts he has made to discourage his development as a presidential prospect, Scranton declared:

"Well, in the first place I have discouraged anybody that I know of who is attempting to create clubs or anything of that sort."

John Caskeys Are Wed 25 Years

Mr. and Mrs. John W. Caskey Sr., Aspers R. 1, observed their 25th wedding anniversary on January 3, 1939, by the Rev. Spencer W. Aungst of St. James Lutheran Church. They are the parents of nine children: Mrs. Delbert Mock, Wormleysburg; Mrs. Larry Toomey, York; Mrs. Richard Knight, Cape Girardeau, Mo.; twin sons, James E., with the Air Force in Louisiana, and John W. Jr., with the Army in North Carolina, and Kenneth, Thomas, Doreen and Douglas, at home. There are seven grandchildren.

Mrs. Delbert Mock, eldest daughter of the Caskeys and Mrs. Mary Fridinger, mother of Mrs. Caskey, were co-hostesses at a reception held for the couple on Sunday afternoon in the social room of St. James Lutheran Church. Mr. and Mrs. Caskey received many gifts in honor of their anniversary. Refreshments were served to 40 relatives and friends from Wormleysburg, Dillsburg, Abbottstown, Biglerville, and Gettysburg.

IKE, TRUMAN NOT IN ACCORD ON SUCCESSION

NEW YORK (AP)—Former Presidents Dwight D. Eisenhower and Harry S. Truman disagree over whether an elected or an appointed official should be next in line for the presidency after a vice president succeeds to the office.

The two men, along with former Vice President Richard M. Nixon and Sen. Kenneth B. Keating, R-N.Y., discussed the complexities of presidential succession in a series of filmed interviews, televised Wednesday night by the Columbia Broadcasting System.

Eisenhower said that when a vice president succeeds to the office of president on the latter's death, the next in line for the top job should be the secretary of state, an appointed official.

CHANGED IN 1947

This was the system until 1947 when the law was changed with the backing of then President Truman.

Under the change, still in effect, next in line of succession after the vice president is the speaker of the House, followed by the president pro-tem of the Senate, both elected officials.

Truman said he did not believe that any president should have the right to appoint his successor, as he would have if the secretary of state was second in line. He said he thought the successor should be a man

York Murderer Sent To Prison

YORK, Pa. (AP)—Willie James Carr, 41, York, was sentenced in York County to 10 to 20 years in a state correctional institution for the shotgun death of Leona Kears, 37.

Carr was convicted of second degree murder at the conclusion of his trial Wednesday night. The jury deliberated 4½ hours. He also was convicted of aggravated assault and battery in the wounding of Mrs. Kears's son, Joseph, 16. Sentence was suspended in that case by Judge George W. Atkins.

District Atty. Daniel W. Shoemaker asked for the maximum penalty in the murder case.

MALIBU, Calif. (AP)—Firefighters, blessed by diminishing winds, contained a potentially dangerous brush fire in Malibu Canyon Thursday after it had burned only 10 acres.

The sheriff's office called off plans to evacuate residents from the fashionable hillside area.

who holds an elective office.

ANOTHER PLAN

Truman said an even better method would be to have the Electoral College fill the job of vice president after the latter succeeds to the presidency.

Nixon agreed. He said the vice president who becomes president should be authorized to convene the Electoral College within 30 days to fill the vacancy.

Both Nixon and Eisenhower disagreed with a proposal by Keating that two vice presidents be elected at four-year intervals. Nixon said that would downgrade the office.

SEEK PACT IN DISPUTE OVER PACIFIC ISLE

MANILA, Philippines (AP)—A high-level meeting with Malaysian officials to find a peaceful solution to the dispute between Malaysia and Indonesia is emerging as the goal of current talks between Indonesian President Sukarno and Philippine President Diosdado Macapagal, highly placed sources indicated Thursday.

The sources, who refused to be identified, said the Philippines and Indonesia do not regard the present situation as an insurmountable obstacle to revival of Maphilindo, the association that Indonesia and the Philippines formed with Malaysia last summer before it became the nucleus of the Malaysian Federation.

LEAVE DOOR OPEN

The sources said there was agreement in the current talks that the door should be left open for the inclusion of Malaysia in Maphilindo and for the possible admission of such other Asian countries as Thailand, Cambodia, Laos and Burma.

It was also indicated that Indonesia may make a public announcement of support for the Philippine claim to British North Borneo, now the Malaysian state of Sabah.

The Malaysian government's refusal to Philippine conditions concerning negotiations of this claim have blocked Manila's recognition of Malaysia.

much right to look forward to spiritual success as any business has to expect commercial success. God promises his people success if they will but fulfill the conditions which make for it. The Church of Christ is facing the greatest opportunities of its history, and in this new age the Church that succeeds must be:

First, a Church which preaches the truths of the Gospel. We do not need a new Gospel, but we need the old Gospel anew — the Gospel in which the truth is emphasized and men once again are told that Christ came to save them; that through the shedding of His blood they can have remission of sin, and that

above us is a God Who loves and cares for all.

"LIVE THE TRUTHS"

Second, the Church that succeeds must live the truths that it believes. The truths preached from the pulpit must be lived by the people in the pews. Truth must be put into action. What the truth needs today is life and an opportunity to express itself in deeds. Dr. Billy Graham, in a recent address to some 750 or more Protestant ministers, urged upon them to see that "something tremendous" is happening to "both Protestantism and Roman Catholicism." He defined it as an "awakening of reform and

revival within Christianity."

The evangelist strongly urges that the church must concern itself with people. This leads us to the third thing that the Church which succeeds must do and that is to have love for people. The position of the Ecumenical Council in Rome, and that of the Protestant church leaders, is that, unless the church does respond to the tremendous changes taking place in the world, it will decline. There is a minority within the church that insists the church should not concern itself with current events — that the vast economic and social forces that fall heavily on the daily lives of people should go unmentioned,

or be countered with homilies.

To that the reply has been made that the crucifixion and resurrection of Christ were current events in their time and that unless they are made relevant to the events of man's day-to-day life, they soon will lose validity. When Christ was here He fed the multitudes and cared for the people. The work which He did He left the Church to carry on. Human interests must come before material interests. The people of God must have a saving love for the people.

Fourth, the Church that succeeds must be a soul-winning Church. The great thing after

all for which Christ left His Church in the world was to save it. Indeed is this not the message of Christmas — "And thou shalt call His name Jesus for He shall save His people from their sins"? Is not this the "glad tidings of great joy which shall be to all people"? The Church must reproduce itself; and the only way it can do this is through the new lives which are born anew into the kingdom of God.

Golfers still follow the 13 basic principles of "gowif" laid down by the "22 noblemen and gentlemen" who organized the Royal and Ancient Golf Club of St. Andrews in 1754.

HEY! MY PICTURE'S IN THE PAPER

Sure it is! And you're looking at it right now.

Most people get their pictures in the paper because they've done something. But not I!

I haven't done anything. Not yet, that is...

But one of these days I'm going to do lots of things. Big things. Great things. Why, I might even be President of the United States some day.

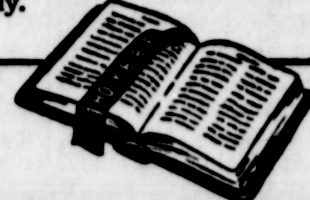

Want to know why my picture's in the paper?

Because I'm one of millions of youngsters who needs to grow up with faith, fortitude, character.

And we boys and girls want you to come to Church next Sunday — and to bring us with you.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

U.S. Seeks To Halt Growing Spanish Trade With Cuba

By FRANCIS STILLEY
AP Newsfeatures Writer

The United States is unhappy over growing trade between Spain and Cuba.

As a result, Uncle Sam has been waggling a finger at Spain with increasing vigor in recent weeks.

Spain has been cautioned that her rapidly expanding economic relations with Fidel Castro's regime could jeopardize foreign aid from the U.S.

A U.S. law forbids aid to countries dealing with Cuba, and new regulations recently were issued to discourage non-Communist shipowners from taking part in trade between Cuba and other countries.

TIES WITH

Spain, however, maintains that she has historical and cultural ties with Cuba, and also has a need for trade with Cuba. Spain further contends that good relations with Cuba are necessary in the interests of about 40,000 Spanish citizens now residing in Cuba.

The U.S. has made no formal protest to Spain but strong pressure has been applied through diplomatic channels.

The U.S. has a commitment to finance Spanish development through \$100 million in Export-Import Bank loans during the next several years.

It was included in a September agreement extending for five years the 1953 treaty under which American air and naval bases in Spanish territory were authorized.

The U.S. has long sought to get the non-Communist world to cut down on its dealings with Cuba, and has succeeded to a great extent except in the case of a few nations such as Japan.

TRADE DROPS OFF
Total free world trade with Cuba was estimated at \$1.3 billion in 1959 but has dropped off to less than \$230 million, according to most reliable figures now available.

On the other hand, Cuban trade with the Communist bloc has risen rapidly from virtually nothing to more than \$1 billion a year. The figure includes large supplies of military equipment.

Figures compiled in mid-1963 by the State Department Commerce Department, the United Nations and other agencies showed Japan's trade with Cuba in 1962 at \$46.4 million. This compared with \$36.1 million in 1961.

Most of Japan's trade with Cuba consisted of sugar purchases. Japan has been shipping manufactured goods to Cuba, though none of strategic value.

POOR SUGAR HARVEST
Although Cuban sugar harvests have been poor of late, Castro recently claimed that by 1970 his country will dominate the world market. He asserted that greatly expanded production and low prices will enable Cuba to ruin producers in capitalist countries.

A few days ago Castro announced that Cuba has made heavy purchases of Russian mechanical equipment for use in harvesting the sugar cane crop.

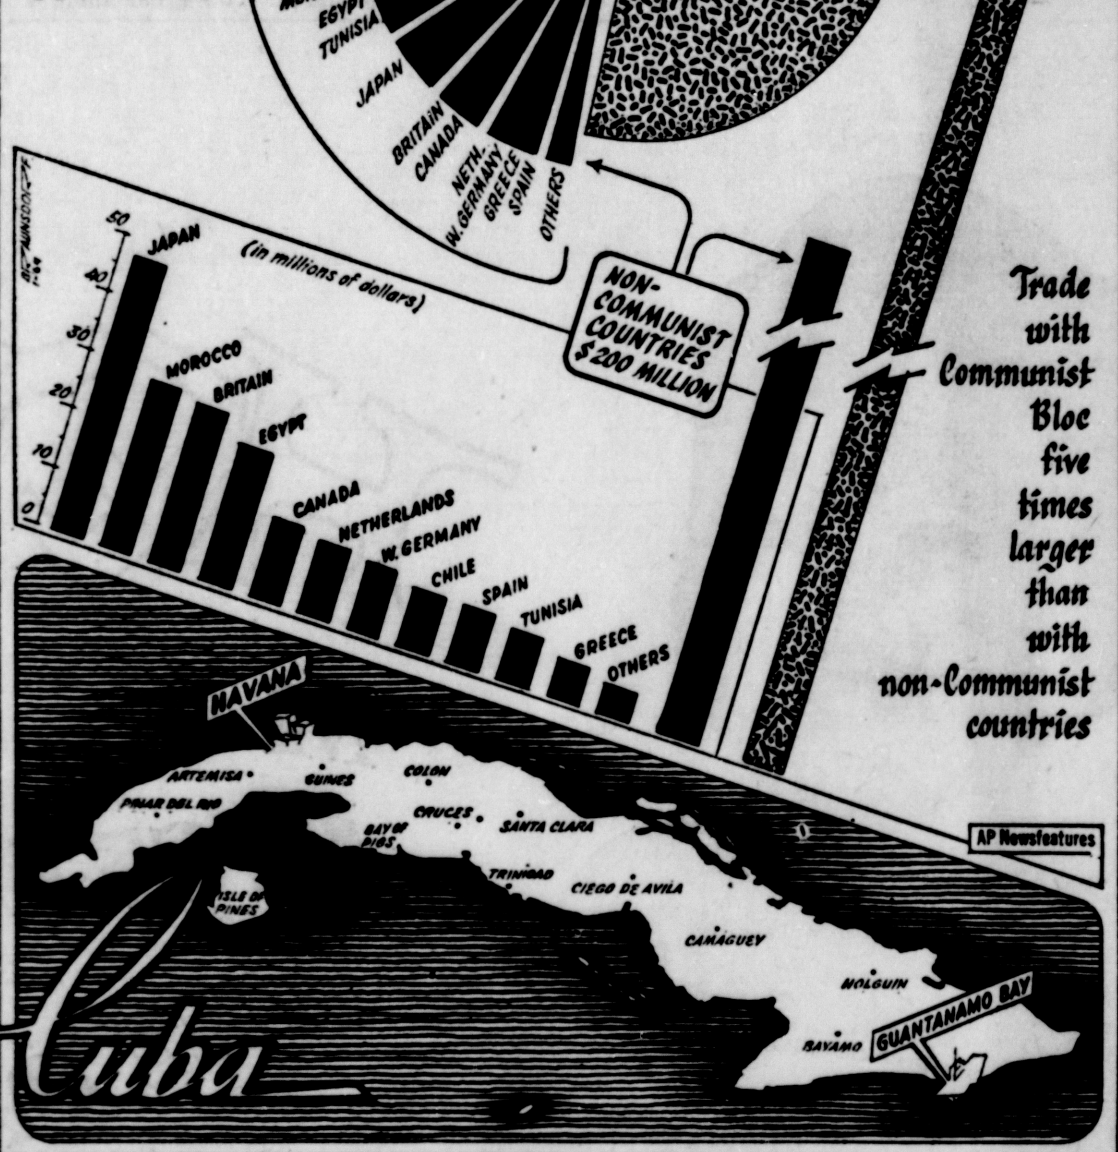

Surprisingly enough, the latest figures show that the second largest non-Communist trader with Cuba is Morocco. This trade was said to have increased from \$9.7 million in 1961 to \$23 million in 1962.

OTHERS FOLLOW
Britain followed as third, but the figure dropped off from \$28 to \$27 million.

Other countries in order were, with figures for 1961 and 1962 respectively, as follows, with figures in millions:

Egypt, \$20 and \$22; Canada, \$35 and \$12; Netherlands, \$15 and \$11.5; West Germany, \$14 and \$11.5; Chile, \$15.7 and \$10.6; Spain, \$13.6 and \$10 (this was before the recent increase in trade); Tunisia, 2 and \$8.5; Greece, \$3.4 and \$6.7; Sweden, \$2 and \$4.8; Finland, \$7 and \$4.5; France, \$6 and \$4; Syria, \$5 and \$3.6; Switzerland, \$3.9 and \$3.6; and Norway, \$2.5 and \$2.8.

CUBA'S FOREIGN TRADE WITH COMMUNIST AND NON-COMMUNIST COUNTRIES

Others dealing with Cuba included India, Belgium, Yugoslavia, Ceylon, Uruguay, Italy, Brazil and Mexico. Their trade was reported at less than \$3 million each, and in nearly all cases represented a drop over previous figures.

Bachelor Girl Vs Bachelor

For the past year the single woman has been a subject to be sociologists, psychologists, psychiatrists, book writers, columnists and TV moderators.

Therefore it seems only fair to examine the why's and wherefore's of the single man, especially since Leap Year is here.

Actually, the bachelor girl is not an unfathomable phenomenon. There would not be so many of her kind if there were not so many bachelors. She cannot change her marital status without the cooperation of available men.

Yet only one year in four, in accordance with the conventions of our society, can a member of the fair sex be more than passive, tacit and beguiling in pursuit of happiness-ever-after with a man of her choice. Otherwise she must wait miserably and silently to be chosen.

Fortunately this is the fourth year, the important year, for Diana, the huntress. For her benefit The Gettysburg Times will publish several articles in the early future measuring both the resistance and vulnerability of her prey. Since there are two million more of her than single men of marriage age in America, she will find competition keen.

But if she is a very shrewd trapper in '64 she can cut down her number to such a drastic extent by '65 that the single girl will hardly seem worth analyzing any more.

Student Awakes From Long Nap

SAN DIEGO, Calif. (AP) — How does it feel after sleeping for the first time in 11 days?

"I feel like I've been asleep for 70 days," said 17-year-old Randy Gardner, stretching and rubbing his eyes. Actually he had slept 14 hours and 43 minutes, which isn't bad for the world's insomniac champion.

Randy won the title by staying awake for 264 hours at a San Diego naval hospital as part of a high school science project. The former record of 260 hours was set by a Honolulu disc jockey in 1959.

Said Dr. Fred Castro who examined him: "He's doing real well."

comes more ludicrous and the tension mounts until—well, I won't tip the ending. But I will say that the background music is another syrupy number, "We'll Meet Again."

TOP ACTORS

The tone of the satire is demonstrated by the character names. Hayden is Gen. Jack D. Ripper, Scott (who purposely overacts but gets a little out of hand) is Gen. Buck Turgidson and Keenan Wynn plays Gen. Bat Guano.

The Kubrick touch is more of the sledgehammer than the stiletto variety, and the results are devastating. Nothing is spared; the monolithic military, the bewildered civilian officials, the double-dealing Russians, all are equal victims in the nightmarish comedy.

Peter Sellers displays his gift of mimicry in three leading roles: 1. Group Capt. Mandrake, a British officer who tries to dissuade Gen. Ripper; 2. President Muffley, the Adlai Stevenson-like chief executive; 3. Dr. Strangelove, a German scientist working for the Americans. The latter is a classic.

FILM CAPITOL CREATES NEW BOMB SATIRE

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD (AP)—Can the H-bomb be funny?

A lot of people may not think so, and hence may pass up Stanley Kubrick's new film, "Dr. Strangelove, or: How I Learned to Stop Worrying and Love the Bomb." It may be their loss. Despite its arch title, the film is one of the wildest satires in recent times.

That doesn't mean that "Dr. Strangelove etc." is an unqualified success. Some of its humor is misdirected and the actors

sometimes get out of hand. But when its aim is on-target, whammo!

EERIE OPENING

The film starts out eerily with the camera advancing over a carpet of clouds through which juts a mountain peak. Under this eternal shroud in the arctic, the narrator ominously intones, the Russians are working on the ultimate weapon, the doomsday bomb. The musical background is a syrupy rendition of "Try A Little Tenderness."

Then the mad saga begins. A psychotic Air Force general (Sterling Hayden) cracks up and sends a fleet of bombers with their deadly cargo toward the Soviet Union. The general is the only person who knows the code that can retrieve the bombers, and he isn't telling it.

The commanding Air Force general (George C. Scott) is roused from a motel tryst to attend a meeting with the President and other high officials in the war room. The interplay be-

FAMILIES FLEE \$100,000 FIRE

SAXTON, Pa. (AP) — Fire wrecked a combination business and apartment building early Thursday in the Bedford County town of Saxton.

Seven families fled to safety as flames ate through the Weaver Apartment Building, a large two-story stucco structure.

It housed an A. & P. supermarket, a wallpaper-paint store and one apartment on the first floor, and six apartments on the second.

No injuries were reported. Cause of the blaze was not determined.

A preliminary estimate by firemen set the loss as high as \$100,000.

An occupant of the building reportedly discovered the fire about 2:15 a.m. and aroused other tenants.

Firemen from Saxton and four other communities battled for several hours to get the blaze under control.

RENO, Nev. (AP) — Rep. Richard S. Bolling, D-Mo., has been divorced by Mrs. Barbara S. Bolling after more than 18 years of marriage.

The divorce was granted after a closed hearing in District Court at Reno, Nev., Wednesday. Mrs. Bolling charged extreme cruelty.

Fashion Designers Revive Saucy Lines Of Roaring 20s To Compete With Fitted Garb

By JEAN SPRAIN WILSON

NEW YORK (AP)—Old fashions never die. They cropped up again and again at spring style previews here Tuesday.

Just how old the fashion was dependent on the designers' mood. Most, like Ann Klein of Junior Sophisticates, still are enchanted with the roaring '20s when saucy hipster waists, flouncy skirts, and shoestring shoulder straps were the rage.

BIAS SKIRTS

Borrowed from the sexy '30s are bias-shaped dresses that reveal every figure fault, as well as plunging necklines, and cascades of feathers and plumes. Jacques Tiffeau winked at this era in designing midnight black dinner gowns modeled for the House of Monte San-Pruzan.

Chalk-striped dandy suits date to the Depression days—and bolder versions to the turn of the century. But filmy blouses with lacy bibs are out of great-grandmother's family album.

But designer Vera Maxwell drove home the message that old clothes well-chosen may be worn 10 to 15 years without re-

vealing their age.

Sash jackets, coats that ease over hips, classic sheaths with busboy jackets, princess dresses, coachman and Chesterfield coats—all took to the runways without looking a day older than the current collections.

Yet they were costumes garnered from the closets of Miss Maxwell's friends, and still in use, with a little hemming, for those many years.

By MARY CAMPBELL

NEW YORK (AP) — Full-length evening dresses in yards of floating printed chiffon and plain - color, linen - like silk gazar were highlights of Tuesday's shows by Count Sarmi and Mollie Parnis of the American Designers Group.

Sarmi made much use of chiffon in prints that looked like butterfly wings. Bodices and sheath skirts were of printed silk twill with the full chiffon overskirts (one had 75 yards) of matching print.

Mollie Parnis, who commented on her own show, said she designs to help a woman catch, or keep, a man.

Her designs were almost fit-

ted, with seams and darts bringing the fabric in at the waist, and gathers emphasizing the bust.

For evening wear, Miss Parnis favored silk gazar in solid colors, usually white for the bodice, black for the long, slim skirt and a sewn-in belt in a bright accent color.

Miss Parnis, also showed suits, most of them three-piece, with matching or contrasting overblouses belted, tied or dard in at the waist.

A lengthy but interesting show by Ben Zuckerman emphasized his idea of the spring suit—wool and most often in white, ivory, beige, gray or apricot.

Zuckerman's suit jackets reached the skirts two or three inches below the waistline. Shoulders were squared, a few slightly padded, and sleeves were three-quarter or short.

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer?

If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them.

Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them. They were built to be driven by you—on the kinds of roads you drive on.

And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just as it comes out of the showroom.

Which, after all, is the kind of performance you'd expect from Chevrolet. The greater satisfaction and enjoyment built into these cars is borne out, year after year, by the higher resale they bring over other makes in their field.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet.

NIXON PLEDGES FULL SUPPORT TO GOP CHOICE

By JULES LOH
Associated Press Writer

NEW YORK (AP)—Richard M. Nixon, apparently detecting growing sentiment that he should run again for president, says he is "willing to do everything necessary" to see to it the Republicans nominate their most popular and best qualified man this fall.

He insists there has been no change in his position that he is not a candidate, but it was his first indication that events might put him in this year's race.

NEW LEADERSHIP

"I will make any decisions in the future," he said in an interview, "based on my primary conviction that it is vital to get new leadership for this country and that the Republican party must nominate its strongest man."

"I will say this—and I haven't said it before—I will make any sacrifice to see that that is done."

The former vice president, who is 51 years old today, became a partner Jan. 1 in a New York law firm now named Nixon, Mudge, Rose, Guthrie & Alexander.

LUCRATIVE POST

"It is a lucrative position for me," he said, "and some believe I wouldn't take any more risks. That's bunk."

Interviewed in his office, Nixon said:

"I believe that any man who has become a public figure belongs to the public and as long as they want him to lead, to lead. But leadership doesn't always involve being a candidate."

"I feel that having been the (Republican) candidate in 1960 and having received the votes of more than 34 million people, I have a responsibility to them. I have to judge what that re-

NEED QUALIFIED MAN

"I also feel the Republican party has an obligation to nominate its strongest candidate and one who would make the best president—and I believe the two go together; that the man best qualified for president would also make the best candidate."

"I have thought that the best way to serve that end would be by not getting into the scramble myself, but by talking about issues and attempting to give leadership in developing a program against the present administration and for a Republican alternative."

"I've been around this track," he said. "I know what the presidency requires and what the campaign requires."

"Meanwhile I'm staying, not

Wants Drivers To Have Diplomas

BIRMINGHAM, Ala. (AP)—A Birmingham School Board member has suggested that graduation from high school be a prerequisite for obtaining a driver's license.

BOYLE'S Grab Bag

NEW YORK (AP)—Nostalgia is man's favorite medicine for what ails him. It cures his blues.

Everyone likes to look back, even the child who delights in asking its parents, "Tell me again about when I was just a little baby."

SOFTENS PAST

The great virtue of memory is that it softens the past, bandages many of its bruises, and makes it seem a less complex period than the busy present.

You've seen a lot of water flow under the bridge yourself if you can pause now and remember when—

Practically every home held a picture of the national hero—Gen. John J. (Blackjack) Pershing, U.S. commander in France during World War I. Most country clubs were kept solvent by a battery of slot machines in the recreation room.

BLACK HOSE

Schoolboys wore long black stockings that usually had a hole in the knee.

You could learn the chronology of your ancestors by reading the dates of their births and deaths in an old and massive family Bible.

More young lads were tempted to chew tobacco at an early age than to smoke cigarettes, because big league baseball players traditionally were "chawers."

There were more flop-eared mules in America than automobiles—and more horses than either.

During Prohibition days, if a man let dandelions grow in his yard, the neighbors were sure he was using them to make wine.

You could make the average child happy by giving him a penny to buy himself a "jawbreaker."

If you got a cinder in your eye, you didn't go to a doctor.

Hope Fades For Missing Flyers

HONOLULU (AP)—Hope faded Thursday for survival of nine men lost on a missing Air Force transport plane. Their fate remained a mystery as a massive search drew toward a close.

The Air Force and Navy had been involved since last Thursday in what they called the greatest search effort ever in the Pacific.

Sixty-nine aircraft and three Navy ships scanned 600,000 square miles of ocean between Hawaii and Wake Island without finding any trace of the big C124 plane or its eight Air Force crewmen and a Navy passenger, who was escorting the body of another Navy man home.

The search was down to 11 planes and three ships Thursday. The missing plane was on a flight from Japan to Hawaii via Wake Island.

You went to a druggist, who would gladly take it out for free.

A whole generation of Americans grew up hating orange juice because it reminded them of castor oil, the taste of which it was supposed to camouflage. Only people who had taken science in college knew what a calorie was—or cared.

A white collar man earned more than a blue shirt worker.

It was considered a disgrace for a man to lose a job or accept any kind of government relief.

A politician was regarded as a fellow who couldn't find honest employment.

Father handled the money in the family, and a wife was expected to buy her clothing out of the money she saved from her household expenses.

SANTA MONICA, Calif. (AP)—Comedian Jerry Lewis' wife, Patti, gave birth Tuesday to their sixth son.

"I'm still going to call it Gloria," quipped Lewis, who had been hoping for his first daughter.

The baby weighed eight pounds and one ounce.

NEW YORK (AP)—Secretary General U Thant of the United Nations has called on world leaders to take advantage of the lull in the cold war to campaign for peaceful coexistence.

In a lecture at Columbia University in New York, Thant described coexistence as tolerance for racial, religious and ideological differences.

KINROSS, Scotland (AP)—Prime Minister Sir Alec Douglas-Home says Britain must seek areas of agreement with the Soviet Union—while keeping up its guard.

In a speech at Kinross, Sir Alec said:

"We have been proclaiming from Britain for some years now that nuclear armaments have reached such a point of perfection and multiplication that war between the Soviet Union and the West is unthinkable. 'The logic of this is that, without dropping our guard, we must seek areas of agreement with Russia and increase our contacts.'"

BAYTOWN, Tex. (AP)—The United States' first astronaut, Navy Cmdr. Alan B. Shepard Jr., has become a banker.

Shepard and two other men have purchased 93 per cent of the stock in the First National Bank of Baytown, Tex. The transaction was completed Wednesday. Shepard lives in Houston, 35 miles east of Baytown.

AMMAN, Jordan (AP)—Patriarch Athenagoras I has received an urgent call to return to Istanbul, his headquarters, a spokesman says.

Athenagoras, spiritual leader of the world's Orthodox Christians, came to the Holy Land for meetings with Pope Paul VI of the Roman Catholic Church last Sunday and Monday. There was no elaboration on the call from Istanbul.

DOCTOR SEEKS PERFECT FACE FOR RESEARCH

By JAMES CALOGERO
BOSTON (AP)—Dr. Harvey Peck, 36 and single, is a girl watcher with a cause: He's looking for the perfect face.

Peck has been studying girls (just their faces; other facets of girl watching are for amateurs) for a year. He still has a year to go on his project. Nonetheless, Peck has reached some tentative conclusions, to wit: "American and international beauties have a tendency toward a toothy, full profile, rather than a straight profile."

POUTY PROFILES

A "toothy, full profile" is sort of a pout. Perfect examples of the type, says Peck, are Sophia Loren, Brigitte Bardot and Doris Day.

They lack the orthognathic profile, he says. On the other hand there's nothing whatever wrong with the vertical and forward growth of their mandibles.

Or, to put it another way, they don't have straight line profiles, but their jaw bones are lovely, just lovely.

Now Peck wants it understood that a pretty pout is not a prerequisite for beauty. For example, there's Grace Kelly, of Baytown.

Engineer's Wife Beaten To Death

WEST CHESTER, Pa. (AP)—The body of the wife of a West Chester chemical engineer was found Thursday in the living room of the couple's row home. Police said Mrs. Mary Nichols, about 30, apparently was beaten to death.

The husband, Albert C. Nichols, 31, a chemical engineer for the Burroughs Corp. here, was taken into custody for questioning.

Deputy coroner Clifford DeBaptiste said an autopsy will be performed.

Mrs. Nichols' daughter by a previous marriage, Stephanie Clananahan, 6, was turned over to the Chester County Child Care Service.

PHILADELPHIA (AP)—The executive vice president of the Pennzoil Co. at Oil City has died.

Robert W. Grunert, 60, died Wednesday at Albert Einstein Memorial Hospital after a short illness.

Prior to his association with Pennzoil, Grunert had worked for the South Penn Oil Co. at Bradford.

Elizabeth Taylor and Debbie Reynolds. They have straight line profiles.

So far, Peck has examined the faces of 35 women. None of the aforementioned lovelies was included, but he concentrates on recognized beauties such as models and beauty contest winners.

This is serious work for Peck, a resident orthodontist at the Boston University Medical Center. He says results of his study titled "a photographic and cephalometric study of facial symmetry and balance," may provide orthodontists with a guide to the ideal face.

Peck says it's possible to change the lower face profile of a child up to the age of 14 through orthodontic therapy.

Closing Service In Series Tonight

The closing service in the annual community preaching mission series, sponsored by the Littlestown Ministerium, was held Thursday evening in Redeemer's United Church of Christ. The Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church, guest minister, spoke on "The Christian and New Life" in keeping with the general theme "Christian Fundamentals." He stressed the importance of every individual in experiencing personal association with God. The Scripture was from Matthew 1:18-25.

The Rev. Graham T. Rinehart, pastor of St. Paul's Lutheran Church, presided for the worship. On behalf of the Ministerium, he thanked the Rev. Mr. MacAskill for the inspiring messages delivered Sunday through Thursday. An anthem, "The Lord Is My Shepherd" was sung by the Senior Choir of St. Paul's Church, accompanied by Mrs. Karl P. Bankert, St. Paul's organist. The ushers were from St. Paul's Church. The Littlestown Lions Club attended the service in a body.

Following the service, the Ministerium entertained at a reception in honor of the Rev. and Mrs. MacAskill at St. John's Lutheran Church parsonage. The Rev. and Mrs. William C. Karns were hosts. Others present were the Rev. and Mrs. G. Howard Koons, the Rev. and Mrs. Glenn K. Flinchbaugh, the Rev. and Mrs. George Shultz Jr., the Rev. and Mrs. William R. Jones, the Rev. and Mrs. David S. Kammerer and Pastor Rinehart.

2 GAMBLERS ACQUITTED

PHILADELPHIA (AP)—A U. S. District Court jury cleared two men Thursday night of any complicity in the embezzlement of \$285,000 by a bank teller who lost the money betting.

Freed by the jury were Samuel J. Miller, 44, and Elias Dubas, 49, of Wyndmoor. They had been charged with aiding and abetting Joseph W. Barnes, 26, a former teller at the branch of the First Pennsylvania Banking and Trust Co., with embezzling funds.

Barnes pleaded guilty in June 1962 of embezzling the money. He said he used the money for betting.

Testimony disclosed that Barnes was betting heavily with Charles R. McDewitt, 38, a taproom owner, who has pleaded guilty to similar charges.

McDewitt told the jury that Barnes' bets were so large he "laid them off" or passed them along to Miller, a night club owner, and Dubas a tap room operator.

Defense attorneys argued that there was no concrete evidence that Miller and Dubas knew the source of the money.

Carrier Emerges From Worst Storm

NEW YORK (AP)—"In all my years at sea, I never saw a storm as bad as that one," said Capt. J.M. West, skipper of the ravaged aircraft carrier USS Essex.

The vessel, which limped into New York Harbor Thursday, had gaping holes in her flight deck. Her 23-ton, 60-foot main mast, containing electronic equipment, had crashed to the deck during the North Atlantic storms the week of Dec. 15.

West said waves were 85 feet high.

BACKING SHAPP

PITTSBURGH (AP)—The Allegheny County Labor Council is supporting Philadelphia industrialist Milton J. Shapp for the Democratic candidacy for the U. S. Senate.

The council Thursday unanimously adopted a resolution recommending endorsement of Shapp by the AFL-CIO's state Committee on Political Education (COPE) and Democratic Party leaders.

SERIES ABOUT BRIGHT KIDS OPENS SUNDAY

By CYNTHIA LOWRY
NEW YORK (AP)—The writers of television's serious dramas during the past two seasons have been busily exploring problem adolescents — delinquents, gang members, narcotics addicts, thieves. But a veteran television producer—Steve Carlin — has been busily planning a series about bright healthy and happy kids.

The program called "Science All Stars," will have its premiere Sunday on ABC (4:30-5 p.m. Eastern Standard Time). It will include a 16-year-old Seattle boy who built a television camera for \$40; a 13-year-old Chicago boy who constructs robots and an 11-year-old Brooklyn girl who made a two-foot model of a subway, complete with self-operating electric door.

Carlin's own television and radio experience includes writing and producing such rip-roaring entertainment shows as "Gangbusters" and "Counter-spy," and he was also involved in some of broadcasting's most successful games shows, including "Quiz Kids," and, unhappily, "The \$64,000 Question."

BEGAN WITH SPUTNIK
The science show had its beginnings when Sputnik I went up, and Carlin, a serious-minded man was among those who realized the utter importance of stimulating young Americans' interest in science. With his staff, he spent two years traveling around the country attending science fairs and interviewing the young exhibitors. Many of the boys and girls, whose ages range between 10 and 16, are award winners.

His new program is "more sophisticated" than "Quiz Kids" ever was, said Carlin. He insists that in the past two years he has received a good basic knowledge of science — mostly by talking to bright children. "I've been appalled by the lack of interest in science," said Carlin. "I have felt that a lot of youngsters were growing up in a sort of vacuum. They have to be motivated — and if this program helps in this effort even a little bit, it's accomplished something very important."

Another Airlift Maneuver Begins

By THE ASSOCIATED PRESS
FRANKFURT, Germany (AP)—The first plane in a new airlift exercise from the United States arrived in Frankfurt today from Turner Air Force Base in Georgia.

The operation, called Long Thrust IX, is part of a series of exercises to improve American ability to move troops by rapid air transport. It is the first since last fall's "Big Lift" operation.

ICY BLAST HITS PART OF NATION

By THE ASSOCIATED PRESS
A blast of icy air spread into the nation's midsection today, dropping temperatures to below zero in northern areas and ending a spell of fairly mild winter weather.

The core of the cold air centered in the Dakotas and Minnesota with the mercury dipping to 22 below zero in Aberdeen, S.D.

Readings of near zero to the teens were reported in other parts of the Midwest with temperatures in the 20s and 30s in wide sections in the central part of the country. The 20s were reported southward into sections of Texas and Kentucky.

Generally clear weather prevailed in the cold belt but fairly heavy snow was reported in parts of Michigan. Snow also was reported in northern Ohio and in sections of the Great Lakes.

In the Northwest, snow depths of one to two inches were reported in scattered interior sections, with rain in coastal areas.

Georgian Awaits Sentence In York

YORK, Pa. (AP) — Edward Williams, 31, of Fort Valley, Ga., is awaiting sentencing for the slaying of a Schuylkill County man.

Williams was convicted here Thursday after Judge Robert I. Shadle handed down a directed verdict of guilty of manslaughter in the shooting death of Seab Shepherd, 21, of Pitman.

The defendant had been charged with both murder and manslaughter. He pleaded guilty to the latter charge.

The shooting occurred last Sept. 14 at New Park R. 1. Williams was foreman of a group of migrant workers.

Charge Man With "Faking A Crime"

MILAN, Italy (AP)—Charges of faking a crime have been placed against a 45-year-old Milanese who police said claimed to have arranged to bomb the Milan cathedral to protest the Holy Land pilgrimage of Pope Paul VI.

Franco Grassi, an accountant, was arrested Wednesday. Officers said he phoned a Milan newspaper and reported he had asked a boy to put a bomb in the cathedral. Police said he gave his own address. No bomb was found.

A Lovelier You

By MARY SUE MILLER
SEASON IN THE SUN. If you're on the lucky list for a holiday in the sun, you'll have more fun if your wardrobe is as care-

free as it knockout. And "care-free" these days means more than just a vacation.

Co-ordination and comfort are vital factors. Unless you match your wardrobe, you end up with an excess of unrelated outfits. Housing them saddles you with a burdensome amount of luggage. As for comfort, let the footsore traveler exemplify its importance to enjoyment.

For a compact but versatile wardrobe, look to a co-ordinate color scheme. Single out one shade from the rainbow of colors and use it as a key color around which to group a few complementary items. Purely as a fashion note, the resort palette features brights, subtle pastels and whites. All are to be found in everything from swim suits to evening dresses, from the highly favored textured fabrics to the smoothest of smooth leathers.

Now back to the comfort factor. The consideration here is fit and protection. There can be no comfort in any sort of misfit, from the slipping bra strap to the pinching sandal. If a wardrobe fails to provide cover against rain, wind and sun, discomfort is bound to follow.

Possibly the roving foot suffers most from improper gear. A perfectly fitted, all-purpose leather pump with a mid-heel is mandatory to the welfare of feet on the go. It gets you there, takes you sightseeing and brings you back with the greatest of ease.

MOST FLATTERING COLORS

In fashion, nothing makes you lovelier than color. It can enhance your skin, hair, eyes and figure; it can express your individuality and style. Great powers, those! To learn how to put them to work for you, read our leaflet, "YOUR MOST FLATTERING COLORS." To obtain a copy, send your request to Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope and five cents in coin.

McSherrystown

McSHERRYSTOWN—The McSherrystown Fire Company discussed possible changes in its siren system at its January meeting Wednesday evening with President Eugene Murren presiding.

Fire Chief James A. Noel reported there was one fire call in the last month and Thomas R. Storm gave a financial report showing the company has a balance of \$34.11 in its checking account.

A nominating committee including Guy Hoffman, Lawrence Leonard and Lewis S. Smith. The firemen discussed installing a phone for fire calls only and another for social calls with separate listings. Bills of \$290.35 were paid and receipts of \$172 were reported.

The Knights of Columbus Youth Club held a meeting recently and made plans for a record box January 17 at the K. of C. building. The admission charge will be 35 cents.

OBSERVERS EYE SETBACKS IN S. VIET NAM

By MALCOLM W. BROWNE
SAIGON, Viet Nam (AP)—The United States may soon have to choose between watching the Communists win in South Viet Nam or sending in major U.S. combat units.

The time for such a decision has not arrived but top American officials in Saigon are looking at the odds closely.

A possible middle ground is that Saigon's new military government will recover the initiative from the enemy guerrilla army.

The United States has hopes that this can be done. Ranking American observers say military setbacks are the result of confusion following the Nov. 1 coup which ousted President Ngo Dinh Diem. The situation will straighten out in a few months, they hope.

What if it doesn't?

No one has ready answers.

Neutralization of South Viet Nam—advocated by French President Charles de Gaulle, by Cambodia and by the Communists—could be regarded as an indirect surrender to the Communists.

Diplomats are weighing the advantages and disadvantages of using U.S. combat units.

The main advantage, many veteran U.S. officers here believe, would be to give American command initiative. There are 15,000 Americans here now. In their limited role as advisers and in support elements, many American officers and men feel handicapped.

NEEDS A WHIP TO WHIP MAN

WILMINGTON, Del. (AP)—A public whipping is scheduled for Jan. 28 at New Castle County Correctional Institution near here, but, if it comes off, Warden Raymond W. Anderson says he'll have to borrow a whip.

The prison has a whipping post but Anderson said he gave the whip in 1960 to Chesley H. Looney, then director of the state prison system. Now no one can find it, said Anderson.

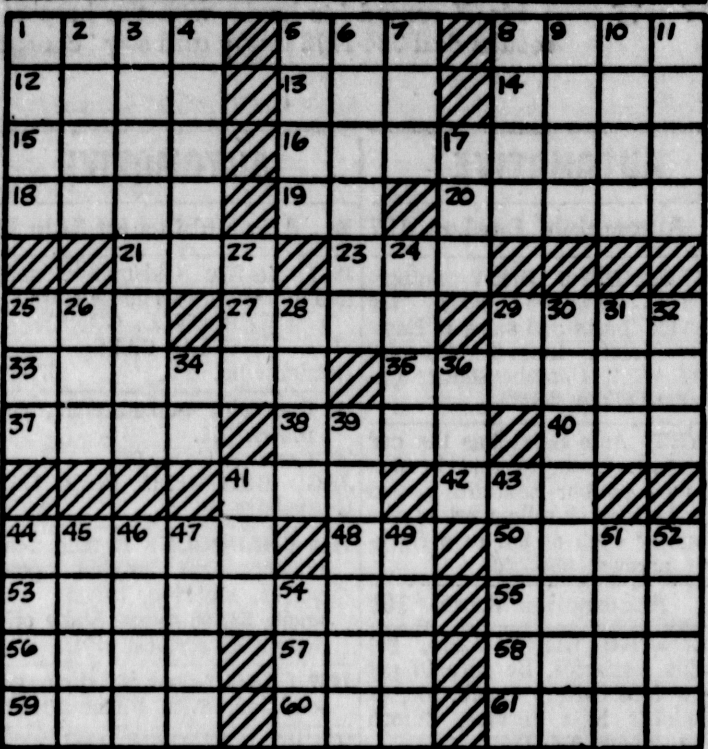

Talmadge R. Balser has been sentenced to 10 lashes and 15 years for robbery. His attorney Wednesday asked Superior Court Judge Stewart Lynch, who ordered the whipping, to set aside that part of the sentence.

Court observers said Balser's attorney, Edward W. Schall, apparently was trying to obtain a delay until he could appeal to the state Supreme Court.

There have been no whippings in Delaware in more than a decade although another flogging was recently ordered.

4 Children Die In House Blaze

SAGINAW, Mich. (AP)—Four children—left alone while their mother went across the street to make a telephone call—died when a fire swept through their home Wednesday night, police said.

The victims were Keith Yancer, 3, and three sisters, Joan, 5, Marjorie, 1, and Melissa, 2.

Three other Yancer children were rescued by a neighbor who pulled them through the front door after smashing out the glass.

The children told police the fire started when one of them dropped tissue paper into a lighted gas range being used to heat the frame house.

BUSINESSMEN WELCOME CUT IN U. S. BUDGET

NEW YORK (AP)—The budget President Johnson will soon submit offers businessmen two cross currents to assess.

1. By pledging that the next fiscal year's deficit can be cut to half of this year's estimated red ink—\$10 billion—the President apparently has increased chances of getting a tax cut out of the Senate reasonably soon. Businessmen would welcome a tax cut, not only for their own sake but because they think it would increase their business.

2. By financing new or expanded welfare projects largely through cuts in existing or planned defense spending, the President is speeding the day many businessmen have been wondering about. That's when the economy will be asked to adjust to a drop in defense spending, which has been increasing fairly steadily for the last 10 years.

If Congress passes the long-debated tax cut, business can

plan on saving some tax money itself and on finding potential customers with more money of their own to spend. Business saving could go into expanded activities or larger dividends. Or even a price cut or two? Greater spending by consumers would boost the economy all along the line.

And also, if the President's arithmetic holds up in the fiscal year starting July 1, and government spending exceeds anticipated tax receipts by only about \$5 billion, inflationary aspects of the new budget will be only half that which businessmen had been preparing to take into consideration.

Any opposition to the budget proposals may first develop in the area of cutbacks in defense spending. The plans call for closing some plants making atomic fuel and some military installations dubbed obsolete, and also apparently for cutting back orders for some military hardware.

Even if all the cutbacks are approved by Congress, which has been critical of such proposals in the past, the military budget next fiscal year is still estimated to be around \$51 billion, or more than half of the proposed total.

As a prop to today's economy

Ex-Missionaries Wed By Bishop, 101

NEW YORK (AP)—They met in Japan 46 years ago. Wednesday they were married by a 101-year-old bishop.

The newlyweds are the Rev. Dr. Charles S. Iglehart, 82, and Caroline Packham, 72, both former Methodist missionaries in Tokyo and Nagasaki.

Bishop Herbert Welch performed the ceremony. "I still remember when they were youngsters," he said.

It will remain strong.

As a foreshadow of further cutbacks to come, it will furnish industry as well as government a challenge.

Most business thinking today is that such cutbacks will be gradual, allowing individual companies and communities needed time to adjust.

Most businessmen applaud any aiming at frugality in Washington, even when they suspect the final results may fall short of the aims. So they welcome the President's surprise budget. Their reservations concern how the details will be worked out.
